These walks have been chosen to satisfy a range of capabilities including those with limited mobility and families as well as experienced hillwalkers.

Walking from Garstang

Walk Description:

1. SD 4915 4529  Stand on the "Villa de Garstang" gate on the left of a field and turn right along the hedge line. Continue for 400m to reach the Millennium Green. Turn left and follow the Millennium Green footpath to the river.

- Distance / Time: 1.8 km (1.1 miles) / 0.5-1 hours

2. SD 4958 4562 Enter the Millennium Green and turn left at the first children's playground. Continue along the Millennium Green footpath, pass the sculpture of the Dipper bird, then right, following the hedge line, past the 'Hand' sculpture, until the path re-joins the main gravel track and turns right. Continue to follow the hedge line to the river.

- Distance / Time: 3.8 km (2.4 miles) / 1-1.5 hours

3. SD 5045 4541 Cross the stile and head towards the bank of the river. Turn left and follow the riverside footpath back towards Garstang.

- Distance / Time: 2.5 km (1.5 miles) / 1 hour

- Points of Interest: Greenhalgh Castle

- Flora and Fauna:
- Banded Demoiselle Damselfly
- Common Blue Damselfly
- Burnet Moth
- Gatekeeper and Common Blue Butterflies

- Important information:
- Wear adequate footwear and clothing and carry food and drink according to the weather and length of route.
- Public toilets can be found on Park Hill Road next to Cherestanc Square and in the car park opposite the junction of High Street and Bridge Street.
- Wildlife and Conservation: Some of which can damage or degrade our native habitats and wildlife. It is essential that we avoid further spreading these invaders. The UK Environment Agency are collating sightings of these problem species and more information can be found at www.canalrivertrust.org.uk
