Dear Representor,

Wyre Local Plan Examination

I am now enclosing the Inspector's Matters Issues and Questions (MIQs) which will form the basis for discussion at the forthcoming hearings.

These MIQs should be read in conjunction with the Guidance Note supplied in my earlier letter of 22 March and while it is not my intention to summarise that document I would like to provide a reminder regarding some of its key points:

- You have the option to respond to the Inspector's MIQs where these have relevance to your original representations
- The Inspector reminds you that he pays full attention to those representations and that there is no need to repeat the content in any further responses
- Where you do feel a need to submit MIQ responses, these should be with me no later than 19.00 hours on **Wednesday 25 April** – the Guidance Note refers re content and delivery instructions
- If you wish to participate at the hearings you should advise me by the same date above – please indicate which hearing session and who is likely to be attending

The Examination webpage, below, continues to be the best way of keeping in touch with progress of the Examination. Those without internet access are welcome to contact me directly.

I will be in touch with all hearings participants in advance of the first session on 15 May. In the meantime, please continue to feel welcome to contact me if I can be of any assistance over the weeks ahead.

Yours sincerely

Tony Blackburn
