APPENDIX D

Residents' Survey Letter

from

Thornton Action Group / Save our Stanah

August 2014

Dear Resident,

We are conducting this survey to help us present evidence to support our objection to the proposal for 428 houses on Lamb's Hill (with a further 473 to follow) . We want to find out about traffic, schools and medical services. All information will be aggregated and no individual details will be released. Please help.

A member of TAG/SOS will call round in a day or two to collect your completed questionnaire or you can send them to Howard Phillips, 66 Lawsons Road, Thornton FY5 4DD
