

Email 030518 from Programme Officer to hearing participants

This email is addressed to those agents and/or representors who have recently indicated an intention to participate at the forthcoming hearings commencing on Tuesday 15 May.

I am attaching a draft list of participants and this provides you with an opportunity to check that your intended participation is recorded correctly – no response is required if this is the case but I would welcome your brief contact if anything requires amendment or update. When reviewing your participation I would ask you to recall the following from the Inspector's Guidance Note (library item EL1.003b):

The hearings are open to all to observe, but only those who have previously made representations relevant to the matters being considered, and have indicated that they want to participate, will be allowed to speak.

Regarding content of the participant list, you will see that these are in the same Matter order as shown in the Inspector's Matters Issues and Questions (MIQs) supplied to you in early April (EL1.004b). Participant details include agent name and principal representor/representor number/library number re MIQ response (if any)/person(s) participating.

Original representations and the recent MIQ responses are all available via the Examination webpage or supporting links:

http://www.wyre.gov.uk/info/200317/planning_policy/1192/submission_draft_wyre_local_plan_examination

The MIQ questions are likely to form the basis of discussion at the hearing sessions although the Inspector will be reviewing timetable and agenda prior to the start of hearings – I will advise you of any changes.

Thank you.

Tony
