Andy Smith, a Director from the Council's external auditors (KPMG LLP (UK)) submitted their "Report to those charged with governance (ISA 260) for 2015/16". He summarised the work that had been carried out to discharge their statutory audit responsibilities.

He provided Members with an overview of the report, summarising the headline messages for the Authority and key findings, namely;

- They anticipated issuing an unqualified audit opinion on the Authority's financial statements by 30 September 2016.
- They would report that the Annual Governance Statement complied with guidance issued by CIPFA/SOLACE.
- There were no unadjusted audit differences.
- They had agreed a small number of presentational changes to the Statement of Account with Finance. An additional narrative disclosure on the future uncertainties associated with the UK's decision to leave the European Union, and the potential impact on financial matters reported in the current year and in future periods had been added.
- They noted that the Authority had continued to ensure high quality processes are in place for the production of the accounts and good quality supporting working papers.

Mr Smith said that receiving an unqualified audit report with no audit differences identified was a very positive result and that their Value for Money audit did not identify any significant risks. He recognised the good work of the Finance Team and thanked officers for dealing promptly and efficiently with all audit queries.
