

## Record of a decision taken by the Resources Portfolio Holder

---

### Mobile voice and data services contract

On 30 June 2016, the Service Director Performance and Innovation submitted a report asking the portfolio holder to agree to an exemption from the contract procedures.

### Decision taken

The Resources Portfolio Holder gave approval

- for a two year contract to be awarded to Everything Everywhere (EE) with an option to extend for a further 12 months.
- to deal with the procurement using the exemptions to Contract Procedures contained within the Financial Regulations and Financial Procedure Rules on the grounds that a framework agreement is available that necessitates the council not having to go out to tender, and the goods, works and services will still provide the council with best value for money.
