Wyre Borough Rural Housing Needs Survey 2010

1.0 Introduction

Background and objectives

- 1.1 arc4 Limited was commissioned in the Autumn of 2009 to carry out a Rural Housing Needs Assessment across the rural parishes of Wyre Borough in North Lancashire.
- 1.2 The aims of the study are to:
 - Identify the annual need for affordable housing in the rural areas of Wyre over the next five years, taking into account the existing backlog of unmet need and newly-arising need; to include details of the accommodation required by type, size, tenure, affordability and location, set within the context of findings of the Fylde SHMA;
 - Inform and form part of the evidence base in support of various Local Development Framework documents including the Core Strategy.
- 1.3 Wyre Borough is currently preparing its Local Development Framework and an 'Issues and Options' document has been consulted upon. This suggests that development in rural areas would be mainly to meet local demand, with a high proportion being affordable housing.

Fylde Strategic Housing Market Assessment

- 1.4 PPS3 states that evidence to support affordable housing polices needs to be presented in a Strategic Housing Market Assessment (SHMA). The Fylde SHMA was published in April 2008 and provided a strategic overview of housing market dynamics across the Fylde peninsula which includes Wyre Borough. The SHMA suggested an annual shortfall of 570 affordable dwellings across Wyre Borough. Addressing affordable shortfalls in rural areas to ensure long-term community sustainability was a key message to emerge from the SHMA.
- 1.5 This rural housing needs survey seeks to complement the Fylde SHMA by providing an evidence base on the characteristics of households and dwellings in the rural area, the extent of housing need and the extent to which affordable housing is required.

Geography

1.6 Map 1.1 illustrates the location of parishes which constitute the rural area of Wyre Borough. Appendix A shows rural parishes boundaries overlaid on a 1:50 000 Ordnance Survey map.

Research methodology

- 1.7 To deliver the rural housing needs study a multi-method approach was adopted consisting of:
 - A sample survey of households in Garstang and Preesall; and a survey of all households in the remaining parishes. A total of 11,818 households were contacted and 3,001 questionnaires were received and used in data analysis. This represents a 25.4% response rate. A full breakdown of response rates is presented in the data tabulations which accompany this report; and
 - Consultation events with local residents through a series of four community events focusing on clusters of parishes during March 2010.

Report structure

- 1.8 This report is structured in the following way:
 - Chapter 2 reviews **household survey results** and includes a review of dwelling stock, household profiles; future housing requirements of households intending to move; and the scale of new household formation and their dwelling preferences; dwelling and household profiles;
 - Chapter 3 considers the **scale of housing need** across the rural areas and how this translates to affordable housing requirements.
 - Chapter 4 reviews issues raised in community and parish consultation
 - Chapter 5 completes the report by considering **policy options** and next steps.

2.0 Household survey results

Overview

- 2.1 The rural household survey was split into three sections: Part 1 considered the characteristics of dwelling stock, households and residents; Part 2 considered future housing requirements by focusing on the aspirations of households planning to move in the next five years; and Part 3 focused on newly-forming households by reviewing how many new households were likely to form in the next five years and their housing aspirations.
- 2.2 An overall response rate of 25.4% was achieved (see Table 2.1)

- 2.3 This report is accompanied with a set of data tabulations which present the household survey data for each Parish. It is important to note that the survey responses have been weighted (to correct for any response bias) and then grossed up (to the total number of households). This process is explained at Appendix B. Data presented in this report is based on weighted and grossed survey results. In effect, the 3,001 responses have been weighted and grossed to reflect a total of 11,818 occupied dwellings.
- 2.4 All survey findings presented in this report are for grossed/weighted responses.

Your home and household (Questionnaire Part 1)

Tenure (Q2)

- 2.5 Evidence from the 2010 household survey indicates that across the rural area, 87.4% of occupied dwellings are owner occupied, 4.5% are rented from a Housing Association, 7.6% are private rented and 0.4% are intermediate tenure. The extent to which tenure profile varies by Parish is presented in Figure 2.1.
- 2.6 Notable observations include:
 - The proportion of households living in owner occupied dwellings exceeded 90% in seven parishes and was highest in Stalmine with Staynall (97%) and Inskip with Sowerby (96.4%);
 - The proportion of households living in social rented dwellings was highest in Upper Rawcliffe with Tarnacre (10.7%), Nether Wyresdale (10.3%), Myerscough and Bilsborrow (10%) and Garstang (8.5%);
 - In general, there were higher proportions of households who rented privately (7.6%) rather than rented from a Housing Association (4.5%). The proportion renting privately was highest in Bleasdale (46.8%), Claughton (22.8%), Nether Wyresdale (21%) and Winmarleigh (16.2%) and this is likely to be due to agricultural workers renting tied accommodation.

Number of bedrooms (Q3)

2.7 Across the rural area, 4.8% of occupied dwellings had one bedroom (or were studios/bedsits), 29.2% had two bedrooms, 40.9% had three bedrooms and 24.1% had four or more bedrooms (Table 2.2). Figure 2.2 illustrates how the number of bedrooms varied by Parish. Notably, the proportion of properties with four or more bedrooms was highest in Winmarleigh (56% of occupied dwellings) and Out Rawcliffe (48.3%). With regards to smaller dwellings, the proportion of occupied dwellings with one or two bedrooms was highest in Cabus (49.8%) and Preesall (46%).

Source: 2010 Parish Survey

2.8 The extent to which the number of bedrooms varies by tenure is illustrated in Table 2.2. This indicates that social rented and intermediate tenure properties tend to be smaller, with over half (54.9%) of social rented properties having one or two bedrooms along with 62.3% of intermediate tenure properties. Owner occupied dwellings tend to be larger, with 27.6% having four or more bedrooms. Private rented dwellings tend in general to have up to three bedrooms, but around 11.2% have four or more bedrooms.

Length of residence (Q4)

2.9 There is some degree in variation in the length of residence by Parish (Figure 2.3) and tenure (Table 2.3). Overall, 21.8% of households had lived in their current accommodation for less than 5 years, 16.6% for between 5 and 10 years, 20.9% for between 10 and 20 years and 40.7% for at least 20 years.

Table 2.3 Length of residence by tenure

Source: 2010 Parish Survey

- 2.10 The proportion of households living in their accommodation for at least 20 years was highest in Pilling (57%), Forton (48.8%) and Garstang (48%). In contrast, 50.5% of households in Nateby had lived in their accommodation for less than 5 years, along with 46.8% of households in Bleasdale and 42.1% in Winmarleigh.
- 2.11 There are some strong relationships between length of residence and tenure (Table 2.2). Around half of private renters (49.9%) had lived in their accommodation for less than 5 years, compared with 35% of social renters and only 18.5% of owner occupiers. Owner occupiers were most likely to have lived in their accommodation for at least 20 years (42.9%).

Household profile (Q5 to Q7)

- 2.12 Across the rural area households tend to be small, with the majority comprising one (22.2%) or two (38.5%) people. Additionally, 15.9% of households comprise three people, 16.6% four people and 7% five or more people. Overall, 29.1% of households across the rural area are either headed or contain someone aged 60 or over. The proportion households containing someone aged 60 or over is highest in Cabus (38.9%), Garstang (37.1%) and Preesall (36.6%)
- 2.13 Figure 2.4 summarises how the profile of households varies by Parish. Household size by tenure is summarised in Table 2.4 and household type by tenure is summarised in Table 2.5. Analysis of household size and type by tenure indicates that:
 - The proportion of households with four or more occupants was highest amongst owner occupiers (24%) and private renters (22.8%) households;
 - 34.2% of social renting households comprised one person along with 40% of intermediate tenure households;
 - Of owner occupier households, 30.1% were older singles and couples, 26.7% were couples with children and 17.5% were couples (both under 60). Lone parents accounted for 23.3% of social renting households and 19.5%

arc4

of private renting households. A further 29.4% of private renting households were couples with children and 15.7% were older singles and couples.

Overcrowding and under-occupancy

- 2.14 Using the 'bedroom standard model'¹ it is possible to review the extent to which households are overcrowded or under-occupying. Overall, around 2.1% of households can be described as overcrowded, with fewer bedrooms than required by the household; 17.4% of households have a sufficient number of bedrooms relative to requirements; and 80.5% of households are under-occupying, with at least one spare bedroom about the bedroom standard requirements for that household. Overall, 37% of households are severely under-occupying, whereby they have at least two spare bedrooms.
- 2.15 Of households who are overcrowded:
 - 63.4% are couples with children, 9.3% are lone parent families and 27.4% are other types of household (including families where there are adult children still living at home);
 - 80% are owner occupiers and a further 8.2% are social renters, 10.6% private renters and 1.2% live in intermediate tenure dwellings
- 2.16 Of the 280 households who are overcrowded, further analysis presented in section four of this report suggests that 56 intend to move to address their overcrowding situation.
- 2.17 In terms of severe under-occupancy, there are around 4,900 households who have two or more spare bedrooms relative to their requirements based on the bedroom standard model. The household type and tenure of these households is illustrated in Table 2.6. This illustrates, for instance, that 31.3% of under-

occupying households are couples (both under 60); but the actual proportion of couples (both under 60) who are severely under-occupying is 69.7%. The proportion of households severely under-occupying is also high amongst couples (one or both 60 or over) and amongst single adults under 60 (37.1%). In terms of tenure, 95.8% of severely under-occupying households are owner occupiers; but severe under-occupation is experienced across all tenures, including 4.8% of households renting from a Housing Association.

2.18 Of households under-occupying, income data is available for those households intending to move. Of these households. 39.1% received a weekly income of less than £500, 35.9% an income of between £500 and less than £1,000 and 25% received £1,000 or more each week.

Views on affordable housing requirements (Q8 to Q10)

2.19 All respondents were asked to 'tell us what type of affordable housing you think is needed in your Parish?' Responses are summarised in Table 2.7. Households could tick a multi-response box on the questionnaire and from the

 $\operatorname{arc}^{\overline{4}}$

responses it is possible to calculate the proportion of households who said that no further affordable homes are needed and the proportion who said affordable homes are required. Furthermore, it is possible to consider the range of affordable housing respondents considered were required in their Parish.

- 2.20 Table 2.7 demonstrates that the vast majority of households felt that more affordable housing was needed in their Parish (72.9%), with 27.1% stating that no further affordable homes are needed. The proportion of households stating that no further affordable homes are needed was in Winmarleigh (58.1%) and Inskip with Sowerby (45.9%). Overall, in eight Parishes at least 30% of households stated that no further affordable homes are needed.
- 2.21 In terms of the type of homes needed, homes for young people were most frequently cited (46.5% of households overall stated this need), followed by small family homes (33.5%), homes for older people (20.1%), homes for single people (16.4%), homes for people with disabilities (14.6%) and large family homes (9.1%).
- 2.22 Analysis clearly demonstrates support for affordable housing across most of the Rural Area, with greatest support for the provision for affordable homes for young people and small family homes. Table 2.7 also illustrates how the relative importance of delivering particular types of affordable homes varies by Parish.

arc⁴

2.23 Figure 2.5 considers the proportion of households who would object to a small number of new homes in their Parish to help meet the needs of local residents. Overall, the vast majority of residents (79%) would support such development and 21% would object. The number of households who would object exceeded 30% in two parishes: Stalmine with Staynall (31.9%) and Kirkland (41.3%).

Future housing requirements (Questionnaire Part 2)

Intentions to move (Q11)

2.25 Evidence from the survey suggests that around 22.9% of households intend to move in the next five years (April 2010 to March 2015). Of these households 14% expect to move in the next 6 months, 15.7% between 6 months and a

year, (29.7% within one year), 38.6% between one and three years and a further 31.6% between three and five years. Figure 2.6 illustrates the proportion of households intending to move in the next 5 years by Parish and shows that households in Nether Wyresdale (44.2%) and Forton (31.3%) were most likely to intend to move.

Location preferences (Q12)

2.26 Table 2.8 summarises where households planning to move would prefer to move to and where they are most likely to move to. Interestingly, 74.4% would prefer to move within the rural area but only 57.3% say they are most likely to move within the rural area. Instead, households stated that they are more likely to move outside the District.

Table 2.9bLocation preferences of households planning to move by current
Parish of residence: likely Parish/area

Source: 2010 Household Survey

2.28 Table 2.10 considers the extent to which location preferences vary by household type and shows, for instance, that singles under 60 had a strong preference/likelihood for moving out of the rural area; and singles over 60 and other types of household were most likely to state a preference/likelihood for moving to Garstang.

- 2.30 Interestingly households with a lower income (up to £500 each week) stated a strong preference to remain living within the rural area but were also most likely to move out of the area which suggests financial constraints in moving within the housing market. In contrast, higher income households stated a strong preference to move out of the rural area and were likely to do so.
- 2.31 The two most populated Parishes in the rural area are Garstang and Preesall. Overall, Garstang Parish was most frequently mentioned as the location where households were preferring and most likely to move to within the rural area. This settlement currently contains 15.8% of occupied dwellings in the rural area. Preesall Parish contains 19.9% but is less cited as a preferred/likely destination.

Type and tenure preferences (Q13-Q15)

- 2.32 Households were asked to state the type, size and tenure of property they are most likely to move to.
- 2.33 In terms of tenure and, bearing in mind respondents could tick more than one tenure option, 77.4% would consider owner occupation, 25.3% would consider social renting, 21.4% would consider intermediate tenure and 19.2% would consider private rented dwellings.
- 2.34 Table 2.12 summarises the overall dwelling size and type preferences of households intending to move in the next 5 years. It indicates that strongest requirement is for three and four bedroom detached houses/cottages, three bedroom semi-detached houses/cottages and two bedroom bungalows.

2.35 Table 2.13 considers the variation in property type and size preferences by tenure. Data suggests that households intending to move to:

- owner occupied dwellings are most likely to require larger three and four bedroom detached and semi-detached properties; and two bedroom bungalows;
- private rented dwellings are most likely to require two and three bedroom semi-detached houses;
- social rented dwellings are most likely to require two bedroom bungalows and two and three bedroom semi-detached houses
- intermediate tenure dwellings are most likely to require two and three bedroom semi-detached houses.

Older persons' preferences (Q16)

2.36 Survey respondents were asked if they would consider a range of older persons' housing options (if relevant to them). 239 respondents (68%) answered this question and Table 2.14 shows the proportions of the 239 respondents who would consider different tenure options. Of these respondents, 76.1% would prefer to buy a property, 26.5% would like to rent from a Housing Association, and 19.5% would prefer to buy sheltered housing (Table 2.14).

2.37 Buying an open market owner occupied property was the most popular option amongst older person households with 70.9% considering this. A further 31.4% would consider renting a housing association property. Sheltered housing (either for rent or purchase) was mentioned by around one-fifth and extra care housing for purchase, by 17.7%). Shared ownership open market, sheltered and extra care schemes were not particularly poplar and residential care was considered by around 10% of respondents.

Reasons for moving (Q17-Q18)

- 2.38 The main reasons stated and mentioned for moving in the next five years are:
 - Wanting a larger property or one that was better in some way (26.5% main reason / 39.5% mentioned as a reason)
 - Needed smaller property for other reasons than difficult in maintaining it (10.7% / 18.3%)
 - Wanted to buy (9.5% / 14.4%)
 - Cannot afford rent/mortgage payments (7.4% / 10.9%);
 - To be closer to family/friends to give/receive support (5.4% / 14.4%)
- 2.39 The extent to which reasons for moving vary by household type are presented in Table 2.15 and by income groups in Table 2.16.

Table 2.16 Reasons for moving by household income group

Source: 2010 Household Survey

2.40 Tables 2.15 and 2.16 clearly demonstrate variations in reasons for moving by household type and income. For instance, couples with children are most likely to be moving as a larger property is required; and older people because of the need to downsize, the cost of heating, needing more appropriate accommodation due to age/illness and moving closer to friends/family for support. A key driver for high income households was to move to a larger property/one that was better in some way.

Financial resources (Q19-Q20)

- 2.41 Households planning to buy a property were asked to indicate the financial resources they had access to help fund the purchase. This included existing equity, savings, investments and other access to finance such as parental help. Across the rural areas, 13.5% of households had no financial resources; 13.3% had up to £20,000; 8.1% had between £20,000 and £50,000; 10.3% had between £50,000 and £100,000; 23.6% between £100,000 and £200,000; 14.5% had between £200,000 and £300,000 and 16.7% had in excess of £300,000.
- 2.42 The proportion of households with at least £200,000 in financial resources was highest in Kirkland (82.4%), Bleasdale (75%), Upper Rawcliffe and Tarnacre (54.2%) and Out Rawcliffe (51.2%). In contrast, the majority of households had less than £100,000 in financial resources in Myerscough (91.7%), Nether Wyresdale (66.7%), Pilling (62.9%), Cabus (60.2%) and Garstang (59.6%).
- 2.43 The median household income band of households intending to move is £450 to £500 each week (which equates to an annual figure of between £23,400 and £26,000. Further analysis of household income and other financial resources is presented in Chapter 3.

Newly-forming households (Questionnaire Part 3)

- 2.44 Evidence from the 2010 household survey suggests that a total of 3,019 people currently living in households want to leave home and form new households in the next five years. Of the 3,019 individuals who want to form new households, 1484 have stated a preference for remaining in the rural areas of Wyre Borough (297 each year).
- 2.45 The parishes with the largest number of residents expected to move and form new households were Preesall (265 residents), Pilling (182) and Garstang (165).
- 2.46 Analysis indicates that 26.1% intend to move and live on their own and 73.9% expect to share with others. Factoring this into analysis suggests an annual household formation rate of 187 each year.
- 2.47 Data relating to the income and access to finance (for instance savings and help from parents) was compared with prevailing open market prices and rents. Analysis suggested that the vast majority (90.7%) of newly-forming households could not afford to rent or buy on the open market. This indicates that 170 newly-forming households each year require affordable housing.
- 2.48 Newly-forming households expected to move over the following time periods:
 - 21.5% within the year;
 - 22.8% between one and two years;
 - 19.7% between two and three years;

arc⁴

- 11.9% between three and four years; and
- 24.1% between four and five years.
- 2.49 Of newly-forming households intending to stay in the rural area of Wyre, 54.4% stated they were most likely to stay in the same parish and 45.6% intend on moving elsewhere in the rural area. The most frequently mentioned Parishes where newly-forming households said they were most likely to move to were Garstang (30.5%), Preesall (15.3%), Pilling (11.4%), Hambleton (9.9%), Catterall (8.4%) and Great Eccleston (6.3%).
- 2.50 Table 2.17 summarises the range of dwelling types and sizes which would be realistically considered by newly-forming households. It suggests that just over half (51.7%) would consider houses and a further 44.1% flats/apartments. Two bedroom properties were most likely to be considered by newly-forming households.

2.51 Table 2.18 indicates that owner occupation is the tenure which is most likely to be considered by newly-forming households (53.6%) followed by private renting (25%), with only a minority considering renting from a Housing Association (12.3%) or buying an intermediate tenure property (9.1%).

- 2.52 Although there is a strong preference for open market purchase, the expected incomes of newly-forming households are relatively low. 54.4% of newly-forming households are likely to earn less than £300 each week and only 6.5% expect to earn at least £600 each week.
- 2.53 29% of newly-forming households have no deposit to enable them to purchase on the open market. 42.2% have less than £5,000 for a deposit, 23.2% have between £5,000 and £20,000 and a further 4.7% have at least £20,000.
- 2.54 Despite aspirations towards owner occupation, affordability of open market purchase is an issue for many newly-forming households. The survey suggests that only 2.7% of newly-forming households felt they could afford a property valued at £150,000. However, 35.2% of newly-forming households felt they could afford a property valued at £100,000.
- 2.55 A more detailed analysis of the relative affordability of open market dwellings to buy or rent is presented in Chapter 3.

3.0 Housing need and affordability requirements

Introduction

- 3.1 PPS3 defines housing need as 'the quantity of housing required for households who are unable to access suitable housing without financial assistance'. The 2010 Household Survey and secondary data provide a robust range of information to quantify housing need in the rural parishes of Wyre Borough.
- 3.2 In summary, the needs assessment model reviews in a step-wise process:
 - Stage 1: Current housing need (gross backlog)
 - Stage 2: Future housing need
 - Stage 3: Affordable housing supply
 - Stage 4: Housing requirements of households in need
 - Stage 5: Bringing the evidence together
- 3.3 Table 3.1 summarises the different steps taken in assessing housing need and evidencing the extent to which there is a surplus or shortfall in affordable housing across the rural parishes of Wyre Borough. Modelling has been carried out using Parish-level data and takes into account household type and property size requirements.
- 3.4 This chapter continues with an overview of the data and analysis for each stage of the needs assessment process.

Stage 1: Current need

3.5 PPS3 defines housing need as 'the quantity of housing required for households who are unable to access suitable housing without financial assistance'. The SHMA Guidance suggests types of housing that should be considered unsuitable as summarised in Table 3.2.

Step 1.1 Homeless households and those in temporary accommodation

- 3.6 CLG SHMA guidance suggests that information on homeless households and those in priority need who are currently housed in temporary accommodation should be considered in needs modelling. The scale of need from these types of household can be derived from several sources.
- 3.7 The household survey identified a total of **131** households who were living in temporary accommodation, for instance they were under notice to quit or their lease was coming to an end. This is taken as an indicator of the number of households who are potentially homeless or currently living in temporary accommodation each year across the rural area.

Step 1.2 Overcrowding and concealed households

- 3.8 The extent to which households are overcrowded is measured using the 'bedroom standard'. This allocates a standard number of bedrooms to each household in accordance with its age/sex/marital status composition. A separate bedroom is allocated to each married couple, any other person aged 21 or over, each pair of adolescents aged 10-20 of the same sex, and each pair of children under 10. Any unpaired person aged 10-20 is paired if possible with a child under 10 of the same sex, or, if that is not possible, is given a separate bedroom, as is any unpaired child under 10. This standard is then compared with the actual number of bedrooms (including bedsits) available for the sole use of the household.
- 3.9 Analysis identifies **56** households who are currently living in overcrowded accommodation. This figure is taken as the backlog of need from overcrowded households.
- 3.10 A concealed household is a household that currently lives within another household and has a preference to live independently and is unable to afford appropriate market housing². To avoid double counting, these households are considered as part of the newly-forming household figures. Overall, survey data suggests a total of 57 concealed households (for instance lone parents living with family members).

Step 1.3 Other groups

3.11 Table 3.2 identified a series of households who were in housing need for other reasons including the property is too expensive, difficult to maintain, household containing people with mobility impairment/special need, lacking amenities, disrepair and harassment.

² CLG Strategic Housing Market Assessment Guidance Annex G p.39 arc⁴
3.12 A total of **700** households were identified to be experiencing one or more of these needs factors. This is taken as the backlog of need from other groups.

Step 1.4 Total current housing need and financial testing

- 3.13 Based on Steps 1.1 to 1.3, using evidence from the household survey, we have identified the extent to which households are in housing need in the rural areas of Wyre Borough *and* whether they want to move to offset that need. A base figure for this is 887 households and the extent to which these households in need can afford open market solutions to address their need has been explored.
- 3.14 An 'affordability threshold' of households was calculated which takes into account household income, equity and savings. The household income component of the affordability threshold is based on 3.5x gross annual income.
- 3.15 The affordability threshold was then tested against lower quartile property prices and the cost of privately renting. Lower quartile prices over the period January 2007 to February 2010 were derived from Land Registry House Price Data. Private sector rents of £550 (two bedroom properties), £650 (three bedroom properties) and £750 (four bedroom properties) each month were assumed. These rents were based on a review of properties available for rent in March 2010 and from discussions with private lettings agents.

Summary of Stage 1: Current need

- 3.16 In summary, of the households identified in steps 1.2 and 1.3, a total of **513** households could not afford to move in the open market to offset their need (which equates to 57.8% of households in need). Further analysis of moving intentions suggests that 33.3% of these households would prefer to move out of the rural area of Wyre. Therefore, the total number of existing households in need who cannot afford to move on the open market to offset their need is **342**.
- 3.17 It is assumed that current need reduces at the rate of 20% per year. This is a standard assumption used in needs assessment modelling suggested in CLG SHMA Guidance and equates to a requirement of around **68** dwellings each year (Table 3.4).

Table 3.4	Stage One Summary

Stage 2: Future need

Step 2.1 New household formation (gross per year)

- 3.18 The household survey identified a total of 3,019 individuals currently living in households in the rural area of Wyre Borough who stated that they want to form a household in the next five years.
- 3.19 Of these households, 1,484 intended on moving within in the rural area in the next five years, either in the same parish they currently lived (807) or in another rural parish (676). This equates to 297 new households forming each year in the rural area. Data relating to where newly-forming households are most likely to move to has been factored into analysis. Of these 297 households. 26.1% intend on living alone and 73.9% intend on sharing. Taking these preferences into account reduces the annual household formation rate to **187** each year.

Step 2.2 New households unable to buy or rent in the open market

3.20 An analysis of the likely gross income of newly-forming households and access to financial resources suggests that 9.3% could afford open market prices or rents in the rural area. Therefore, of the 187 households forming each year and wanting to remain in the rural area, **170** require affordable housing.

Step 2.3 Existing households expected to fall into need

- 3.21 Using RSL CORE lettings data, it is possible to identify the number of households who moved into social rented accommodation in the rural areas, moved because they were in need and had moved into the social rented tenure from the private sector (owner occupation or private renting).
- 3.22 A total of 7 households moved into RSL accommodation as they fell into need in the three years 2005/6, 2006/7 and 2007/8. Therefore, modelling assumes that **2** households each year are expected to fall into need.

Step 2.4 Total newly arising housing need (gross per year)

3.23 Total newly arising need is calculated to be **172** households each year as summarised in Table 3.5

Stage 3: Affordable housing supply

3.24 The CLG model reviews the supply of affordable units, taking into account how many households in need are already in affordable accommodation, stock surpluses, committed supply of new affordable dwellings and dwellings being taken out of management (for instance pending demolition or being used for decanting).

arc⁴

Step 3.1 Affordable dwellings occupied by households in need

- 3.25 This is an important consideration in establishing the net levels of housing need as the movement of these households within affordable housing will have a nil effect in terms of housing need³.
- 3.26 A total of **57** households are current occupiers of affordable housing in need (Table 3.1). Although the movement of these households within affordable housing will have a nil effect in terms of housing need (i.e. they already live in affordable housing).

Step 3.2 Surplus stock

3.27 No surplus vacant **stock** is assumed in the rural areas.

Step 3.3 Committed supply of new affordable units

- 3.28 There is one rural housing scheme currently being developed in Knott End comprising 12no. 2 bedroom and 15no. 3-bedroom houses.
- 3.29 Modelling assumes a total of 27 new affordable dwellings will be built across the rural area during 2010/11

Step 3.4 Units to be taken out of management

3.30 The model assumes there will be no social rented units taken out of management over the next five years.

Step 3.5 Total affordable housing stock available

3.31 It is assumed that there are **0** social rented dwellings available over the 5 year period arising from households moving within the stock.

Steps 3.6 Annual supply of social re-lets

3.32 The CLG model considers the annual supply of social re-lets. Allocations data has been obtained from RSL CORE general lettings data for the three years 2005/6, 2006/7 and 2007/08. During this time, a total of 114 lettings have been made. Of these, only 65 were to 'new' tenants i.e. newly-forming households and existing households moving from a different tenure from within Wyre. The remainder are households moving into the District and households moving

³ Strategic Housing Market Assessment Guidance (CLG, August 2007) arc⁴

between Housing Association Properties. The modelling therefore assumes an annual supply of 22 social rented dwellings across the rural area.

Step 3.7 Annual supply of intermediate re-lets/sales

3.33 There were 4 lettings to intermediate tenure properties reported in CORE lettings data for 2005/6, 2006/7 or 2007/8, implying an annual average of **1** letting.

Summary of Stage 3

3.34 Table 3.6 summarises the data derived at Stage 3 of modelling. Overall, there is an annual supply of **23** affordable dwellings from existing provision plus an assumed development of **27** affordable dwellings over the next year.

Stage 4: The housing requirements of households in need

3.35 The household survey data provides an indication of the type and size of properties which households in need and newly-forming households would realistically consider. Before taking into account supply, there are a total of 240 households each year requiring affordable housing (68 existing and 172 newly-forming/falling into need each year). Analysis of the dwelling type and size preferences suggests the dwelling requirements summarised in Table 3.7. A range of dwelling types and sizes are required but most notably houses and flats/apartment; and properties with one, two and three bedrooms.

Stage 5: Estimate of annual housing need

Step 5.1 Net shortfalls

3.36 Housing Association lettings data (derived from RSL CORE lettings) suggests there is an annual supply of 23 dwellings to households who require affordable housing. After taking into account this supply along with 27 newbuild dwellings, the net annual shortfall of affordable dwellings across the rural area of Wyre is 170 dwellings each year or 850 over the five years 2009/10 to 2013/14. A summary of the total net shortfall of affordable dwellings is presented in Table 3.8.

- 3.37 Table 3.8 demonstrates that a variety of dwelling sizes are required across the rural areas, most notably one and two bedroom general needs properties. Positive numbers indicate a shortfall in dwellings and negative numbers indicates there is enough stock of that particular size to address local needs. Data would therefore suggest the main focus should be the delivery of smaller general needs housing and smaller older persons' accommodation.
- 3.38 However, the modelling recommended by the CLG tends to overstate the need for smaller dwellings. This is because it uses the bedroom standard model (see para 3.9) to specify the number of bedrooms a household requires. Households were also asked how many bedrooms they require and results are compared with the CLG needs assessment modelling in Table 3.9.

Table 3.9Comparison between needs assessment modelling output and

3.39 A comparison between CLG modelling and likely requirements indicates that a higher proportion of households in need and newly-forming households prefer two and three bedroom properties.

Tenure profile of affordable dwellings

- 3.40 Affordable housing includes both social rented and intermediate tenure dwellings. In order to recommend an appropriate split between social rented and intermediate tenure, the stated preferences of households and the relative affordability of intermediate tenure products is now reviewed.
- 3.41 Households were asked to state tenure preferences. Table 3.10 summarises the preferences of both existing households in need and newly forming households by tenure. Overall, this gives a tenure split of 59.1% social rented and 40.9% intermediate tenure across the rural area.

Affordability of intermediate tenure dwellings

3.42 Table 3.11 reviews what level of equity share based on household income and other financial resources available. This suggests that 50.1% of all households requiring affordable accommodation could afford an intermediate product of £50,000; 38.1% could afford £60,000 and 27.7% could afford £70,000.

3.43 Intermediate tenure development has the potential to make an important contribution to diversifying housing choice in the rural areas of Wyre. 40.9% of existing and newly-forming households stated a preference for intermediate products and a good proportion of these households could afford products priced at between £50,000 and £80,000.

4.0 Community and Parish consultation

Community engagement events

- 4.1 To complement the rural housing need survey and provide information to residents within rural Wyre, five community information events were held running alongside the survey period and a free phone advice line to answer queries on the survey.
- 4.2 The purpose of the events was to inform local residents about the study and provide information on affordable housing. The events ran from 3-7pm and were open to all residents. Table 4.1 details the dates of the events, venue and attendance.
- 4.3 Arc4 were available to give advice and assistance on completing the survey forms and explain the reasons for the survey. Wyre Borough Council and Regenda Housing Association were available at all five sessions to give general housing advice and answer queries related to developing and enabling affordable housing provision. Great Places Housing Association attended the events at Stalmine and Great Eccleston. Community Futures provided information for each event.

Feedback from the events

- 4.4 General feedback from the events is summarised as follows:
 - In general events and purpose of the survey was well understood with the majority of attendees welcoming the work of the Local Authority, which may result in development of affordable housing.
 - Some attendees were anti-development of any housing, affordable or market. This was especially so of attendees whose properties neighboured proposed sites for affordable housing development.
 - General housing advice was sought by attendees at all the events. It is unlikely their circumstances would have been picked up without the events being held within their communities.
 - The majority seeking advice were in need of affordable housing provision and information on how to register with Housing Associations, including the likelihood of them being allocated such provision within their local area.
 - There was a lack of understanding of how Housing Associations work with the Council and the role of each organisation.
 - Advice is needed on where Housing Association properties are in the area and if vacancies where these are advertised.

- There needs to be a greater understanding of choice based lettings and how homes are allocated.
- Local lettings criteria and to whom the homes would be allocated to was important to all residents. The scheme at Bilsborrow by Regenda was welcomed by attendees and viewed as a good example of affordable housing with a relevant local lettings policy.
- Progress on sites submitted to the SHLAA would help deliver affordable housing
- Sites were identified specifically for affordable housing where owners have not previously submitted to the SHLAA, as they did not wish the land to be sold to private developers.

5.0 Policy options and next steps

Affordable housing requirements

- 5.1 This research has evidenced that there is a considerable need for affordable housing across in the Rural Parishes of Wyre Borough. An annual net shortfall of 170 dwellings each year has been calculated. The general consensus amongst local residents is that there is a strong need for affordable housing and a majority of respondents would favour affordable housing development to meet demand from local residents. Findings therefore support the conclusions of the Fylde SHMA, which stressed the need to deliver affordable housing in rural areas to ensure long-term community sustainability.
- 5.2 Of the affordable housing needs identified, 28% is from existing households who are in need but cannot afford open market options; and 72% is from newly-forming households who want to remain living in the rural area but cannot afford open market options.
- 5.3 A range of affordable dwellings are required as summarised in Table 5.1. Note that the proposed developments of three bedroom dwellings in several Parishes have made considerable inroads into addressing shortfalls for this size of dwelling and the overall requirement, based on CLG modelling assumptions, is satisfied.

No. Bedrooms	No. Required	Property type	No. Required
1	106	House	93
2	68	Bungalow	15
3 or more	-4	Flat/Apartment	52
TOTAL	170	TOTAL	170

Table 5.1	Summary of annual affordable dwelling requirements by type and
	size

Source: 2010 Household Survey

5.4 Analysis of tenure preferences suggests split of 59.1% social rented and 40.9% intermediate tenure for new affordable dwellings. Analysis of data relating to income and other financial resources suggests that most households could afford an intermediate tenure product marketed at between £50,000 and £80,000.

5.5 The extent to which affordable housing is required varies across the rural areas, with greatest net requirements identified in Garstang, Pilling, Catterall and Hambleton. In other parishes, the number of dwellings required is relatively low and it may be appropriate to group some parishes together and any development would aim to address affordable shortfalls for that group of parishes. Suggested grouping of parishes are presented in Table 5.2.

North	Central	East	South	West
Forton	Cabus	Barnacre- with-Bonds	Great Eccleston	Hambleton
Nether Wyresdale (Scorton)	Catterall	Bleasdale	Inskip-with- Sowerby	Preesall
Pilling	Garstang	Claughton	Myerscough and Bilsborrow	Stalmine with Staynall
Winmarleigh	Kirkland		Out Rawcliffe	
	Nateby		Upper Rawcliffe with Tarnacre	

5.6 Furthermore, it is worth noting that Garstang is a particular popular choice of destination of residents planning to move. However, they may refer to "Garstang" because it's the name of the town, but would consider parts of other parishes that are effectively part of Garstang, such as Catterall and Kirkland. This matter should be reflected upon when determining parish groupings to ensure that they reflect attitudes to broad localities and their constituent areas.

Future development and planning policy

5.7 There is a strong appetite to develop new affordable homes in the rural areas of Wyre Borough. RSL partners remain committed to development and there is strong support from local communities to develop affordable housing for local residents. Encouragingly, local residents have come forward with potential sites which could be developed for affordable housing. Members of the public have been encouraged to submit any land that they feel may be suitable for affordable housing and these sites will then be submitted as part of the 2010/11 Strategic

Housing Land Availability Assessment (SHLAA) process where they will be formally assessed for their viability.

- 5.8 The findings from this study now need to be considered in the context of Wyre's Local Development Framework. This study has clearly demonstrated a considerable need for additional affordable housing. The Council need to now consider what existing planning documents support affordable housing development in rural areas and whether this policy framework needs to be strengthened to ensure future delivery help address affordable housing shortfalls.
- 5.9 Specifically, the Council need to consider if site size thresholds ought to be reduced to help deliver affordable housing in the rural area. This could be confirmed through further robust analysis of past development rates and future land availability evidenced in the SHLAA.

Other housing matters

- 5.10 During community consultation events, a series of issues were raised by local residents. These prompt us to make a series of recommendations to the Council and its RSL partners to ensure there is better information made available to local residents on their housing options. We would recommend:
 - That Wyre Borough Council look to regularly provide housing advice within rural Wyre that reaches the communities covered by the events. This advice needs to include clear guidance on Choice Based Lettings, eligibility and advertising of vacancies;
 - Where a strong local lettings policy is developed or exists we would recommend when vacancies are advertised Housing Associations use local media opportunities as far as possible, for example; free magazines such as Local Choice or Focus Magazines; most relevant local paper to an area; and, liaison with the parish council to insert vacancies within parish magazines or on parish notice boards;
 - Parish council's need to be signed up to proactively advertise the vacancies and keep the housing association informed when either the poster has been placed in the notice board or an advert placed in a parish newsletter. This would avoid vacancies with a 4-week turnaround running for 2 to 3 weeks before being advertised within the parish notice boards or newsletters.
 - The Parish guide on developing affordable housing used to inform attendees at the events should be adopted to meet needs of Wyre Borough Council and displayed on their website with clear instructions on: which Housing Associations to contact; where they have properties; developments underway; advice on choice based lettings; and, how to access general housing advice as opposed to homeless advice.

Appendix AWyre Borough Rural Parishes and OrdnanceSurvey[©] mapping.

Appendix B Weighting and grossing of survey data

Household survey data needs to be corrected for response bias (for instance older people are more likely to response and younger people less likely) through a process called weighting. Because not all households respond, there is a need to gross up the weighted data so that it reflects the total number of households.

The process of weighting and grossing is relatively straightforward. For weighting, 2001 census data was used to establish the profile of households (pensioner and non-pensioner) living in private (owner occupied and privately rented) and social rented (housing association) dwellings in each Parish. This profile was then applied to the current number of occupied dwellings in each Parish.

This process established the likely profile of households by tenure and age group for each Parish. Although it is appreciated that 2001 census data is relatively outdated, it is the best source of data to prepare this Parish profile.

The survey responses were broken down by tenure and household type (pensioner and non-pensioner). They were then compared with the Parish profile derived from the 2001 census. A weighting/grossing value was then calculated by comparing the number of survey responses with the Parish profile.

	GARSTANG HAS ALREADY MORE HOUSES THAN THE UTILITIES
	SCHOOLS DOCTORS AND MANY ROADS ARE NOT SUITABLE FOR ALL THE EXTRA TRAFFIC THAT THESE CAUSE
	GARSTANG IS A PLEASANT PLACE TO LIVE SURROUNDED BY OPEN COUNTRYSIDE IT WOULD BE A SHAME TO CHANGE ITS CHARACTER THERE IS NO SHORTAGE OF HOUSING NEWLY BUILT HOUSES ARE NOT SELLING MUCH OF THE POPULATION IS ELDERLY AND THEIR HOUSES WILL BECOME AVAILABLE
	GARSTANG IS BUILT UP TO MUCH ALREADY YOU ARE SPOILING A BEAUTIFUL VILLAGE
	I FEEL IN THE LAST TEN YEARS THE HOUSING HAS BEEN INCREASED SUBSTANTIALLY FOR ALL NEEDS LISTED ABOVE AS I SEE IT MANY PEOPLE WORK OUTSIDE THE VILLAGE AND SO CANNOT SEE THE IMPORTANCE OF HOUSING EXTRA PEOPLE
	I FEEL THAT GARSTANG HAS EXPANDED AT A TREMENDOUS RATE AND WILL BEGIN TO LOSE ITS IDENTITY THERE MAY BE OTHER AREAS IN WYRE THAT MIGHT BENEFIT FROM THE BUILDING OF 1ST BUYER HOMES IN SMALL GROUPS TO ENHANCE SMALL VILLAGES
	I WOULD LIKE IT DEFINED AS TO WHAT A SMALL NUMBER OF HOMES MEANS IE HOW MANY WHERE EXACTLY WOULD BE THE LOCATION OF THEIR HOMES GARSTANG REMAINS A CHARMING SMALL TOWN WHICH IS WHY PEOPLE WANT TO LIVE AND MOVE HERE WE ALREADY HAVE A SUPERMARKET BOOTHS WITH A SMALL TOWN ATTACHED TO IT AND NOT THE OTHER WAY ROUND
	I WOULD LOVE TO KEEP IT RURAL BUT NOBODY LISTENS ANYWAY
	IM SORRY BUT IT IS IMPOSSIBLE TO GUESS THE ANSWERS TO 8 WITHOUT THE DATA OBVIOUSLY ALL THOSE GROUPS NEED HOUSING BUT I HAVE NO IDEA WHETHER THERE IS SUFFICIENT SUPPLY NOW THE COUNCIL SHOULD NOT MAKE DECISIONS BASED ON PEOPLES

INCREASE TRAFFIC & OTHER RESOURCES INFRASTRUCTURE WOULD STRUGGLE TO SUPPORT ADDITIONAL POPULATION IT DEPENDS ON THE ALLOCATION CRITERIA USING PAST EXPERIENCE THE AFFORDABLE HOUSING ADJACENT TO OUR OWN HOME CAUSED PROBLEMS FOR QUITE A LONG TIME I WOULDN'T ASK OR EXPECT ANYONE TO GO THROUGH THOSE EXPERIENCES AGAIN THE INTEGRATION OF MIXED HOUSING MAY ON PAPER BE AN EXCELLENT IDEA HOWEVER AS REALLY EVERYONE'S NEEDS MUST BE TAKEN INTO ACCOUNT I'VE TICKED YES AS A FAIL SAFE THE NEW HOMES WOULD NEED TO BE SYMPATHETICALLY SITED AND BUILT NOT TO RUIN THE HISTORICAL & CULTURAL (IE RURAL WORKING CLASS PAST) ASPECT OF THE AREA **KEEP RURAL ECONOMIES GOING THINGS NEED TO PROGRESS - YES** MORE HOUSES IN RURAL AREAS MADE HOMELESS LAST YEAR MYSELF AND DAUGHTER SLEPT IN CAR PUT IN HOSTEL IN PRESTON OLD STEAM MILL AWFUL PLACE PERHAPS LOCAL TEMP ACC SHOULD BE MADE AVAILABLE SHELTER WERE ABSOLUTELY BRILLIANT PROVIDING THEY FIT THE SURROUNDING AREA AND ARE NOT MADE WITH MATERIALS ON THE OUTSIDE THAT WILL WEATHER IN TIME (E.G. THE ECO FRIENDLY HOUSES ON MOSS LANE ARE AN EYESORE) RURAL NATURE OF TOWN IS BEING ERODED LOSING CHARACTER OF A SMALL TOWN ALREADY TOO MANY NEW HOUSES BEING BUILT SEEM TO BE OVER-CROWDED AT THE MOMENT WITH LOTS OF HOUSES AND FLATS FOR SALE OR RENT SMALL RURAL COMMUNITY WHICH SHOULD REMAIN AS GREENBELT SMALLER AFFORDABLE HOMES NEED TO BE BUILT BUT ONLY IF SERVICES ETC ARE IMPROVED CURRENTLY THIS AREA IS STRETCHED TO ITS LIMITS AND APPEARS TO BE LOSING THE RURAL NATURE SUFFICIENT HOUSING FOR LOCAL PEOPLE ALREADY AVAILABLE TOO MANY NEW HOUSING ESTATES IN LOCAL AREA THE AREA WHERE WE LIVE HAS BEEN SATURATED WITH NEW ESTATES THE MOST RECENT IS THE GHASTLY ONE AT DIMPLES LANE CANAL BRIDGE ALL THE HOUSES WERE BUILT ON GREENFIELD AREAS BRINGING US PROBLEMS WITH DRAINAGE CONCRETE & TARMAC BUILT ON SOAK AWAY AREAS THE ROADS AROUND BARNACRE ARE ALREADY BADLY DAMAGED DUE TO EXCESSIVE AMOUNTS OF VEHICLES USING THEM THEY HAVENT BEEN REPAIRED (PROPERLY) IN YEARS THE VERGES ARE ALL MASKED UP AND AT TIMES RESEMBLE FARM TRACKS NOT ROADS A NUMBER OF FARMS WERE BOUGHT AND CONVERTED TO HOUSING WHICH IS INSANE ANYWAY PLEASE THINK ABOUT THE ENVIRONMENT FOR A CHANGE INSTEAD OF REVENUE FOR YOURSELVES THERE ARE A NUMBER OF HOUSES/FLATS THAT HAVE BEEN RECENTLY BUILT THAT REMAIN UNOCCUPIED ALSO MANY OF THE NEW BUILD HOUSES HAVE BEEN VERY EXPENSIVE SO THAT ONLY EXISTING HOUSE HOLDERS HAVE ANY CHANCE OF BUYING THEM ALL HOUSES HAVE BEEN OF EXISTING NON ENERGY EFFICIENT TYPES BUT BUILDING HOUSES WITH GROUND SOURCE HEAT PUMP AND SOLAR PANELS WILL COST MORE SO WE NEED TO CHANGE OUR METHOD OF BUILDING

THERE ARE ALREADY TOO MANY AFFORDABLE HOMES IN THE GARSTANG AREA THE BUILDING OF THESE HOMES WITHIN AREAS WHERE MOST PEOPLE ARE WORKING AND WANT TO BRING THEIR CHILDREN UP IN A DECENT AREA IS A POOR IDEA PEOPLE DO NOT INTEGRATE AND THIS LEADS TO TENSIONS AND DISRUPTION IN WHAT WOULD BE A GOOD COMMUNITY

THERE ARE MANY EMPTY HOUSES IN CALDER VALE THERE ARE NO BIGGER FAMILY HOMES FOR PEOPLE TO MOVE INTO IF THEY WANT TO STAY IN CALDER VALE THE HOUSING HERE IS MAINLY TERRACED AND NOT BIG ENOUGH TO ACCOMMODATE GROWING FAMILIES

THERE ARE TOO MANY HOUSES WHICH CANT FIND BUYERS PEOPLE CAN RENT IF THEY CANT AFFORD TO BUY I CANT THINK OF A SINGLE NEW DEVELOPMENT IN THE AREA THAT HAS IMPROVED THE APPEARANCE OF THE LOCALITY

THERE HAS BEEN A VERY LARGE NUMBER OF HOUSES & FLATS BUILT IN MY PARISH RECENTLY THE CHARACTER OF THE AREA HAS BEEN MUCH ALTERED JUST TO PROVIDE HOUSES FOR COMMUTERS WITH NO CONNECTION TO THE AREA MAYBE THE COUNCIL SHOULD HAVE THOUGHT MORE ABOUT AFFORDABLE HOUSING YEARS AGO AS IT GAVE OUT PLANNING PERMISSION FOR HUNDREDS OF 5 BEDROOM DETACHED DWELLINGS?

THERE HAS BEEN EXTENSIVE NEW BUILDING RECENTLY

THERE HAS OVER THE PAST YEARS BEEN EXCESSIVE BUILDING IN THIS PARISH SOON THERE WILL BE NO GREEN FIELDS LEFT THERE IS NO ROOM LEFT TO BUILD ANY WE ARE NOW SURROUNDED BY GENERALLY WHAT COULD BE DESCRIBED AS LARGE FAMILY HOMES BUT WHICH ARE BY AND LARGE OCCUPIED BY RETIRED/SEMI-RETIRED COUPLES NO FAMILIES

THERE IS SUFFICIENT HOUSING TO MEET LOCAL NEEDS

THERE IS TOO MUCH NEW HOUSING WITH POOR DESIGN QUALITY NOT EXCITING OR INTERESTING ARCHITECTURE - BORING BLOCKS

THIS AREA IS POPULATED ENOUGH ALREADY THIS IS A RURAL PARISH AND AN AREA OF OUTSTANDING NATURAL BEAUTY WHICH SHOULD BE PROTECTED FROM DEVELOPMENT THERE ARE NUMEROUS EXISTING PROPERTIES FOR SALE IN THE AREA

TOO MANY LARGE HOUSES SQUEEZED INTO EVERY GREEN SPACE TOO MUCH DEVELOPMENT ALREADY OVER PAST 5 YEARS ANY DERELICT PROPERTIES SHOULD BE TAKEN OVER AND RENOVATED LANDLORDS WITH EMPTY PROPERTIES COMPELLED TO LOWER RENTS AFTER SET PERIOD OF TIME IE ONE OR TWO YEARS INFRASTRUCTURE AND SERVICES BECOMING OVERWHELMED WATER LEVEL RISING RESULTING IN MORE FLOODING TOO MANY CONCRETE GARDENS PREVENTING DRAINAGE

VERY SMALL VILLAGES SUCH AS CALDERVALE HAVE A HISTORY AROUND WHY THEY ARE SMALL BY ADDING A SMALL NUMBER OF NEW HOMES - IT TAKES AWAY THE HISTORY & CHARACTER OF A VILLAGE ALSO ONCE SOME SMALL NEW HOMES ARE BUILT IT OPENS IT UP FOR MORE TO BE BUILT THEN A VILLAGE BECOMES A TOWN ETC WE ARE A VERY SMALL VILLAGE WITH BEAUTIFUL VIEWS FOR THE LOCAL COUNTRYSIDE TO BE DEVELOPED ON WOULD BE A REAL SHAME HOWEVER THERE ARE A NUMBER OF EMPTY PROPERTIES IN THE VILLAGE THAT ARE BEING LEFT TO BECOME DERELICT IF SOMETHING COULD BE DONE TO ENFORCE THE OWNER (ALLOWED BY LOCAL BUSINESS) TO EITHER RENOVATE AND LET OR SELL THIS

WOULD PROVIDE 5-10 PROPERTIES IN THE VILLAGE

WE HAVE HAD 5 NEW DEVELOPMENTS IN BOND IN THE LAST 15 YEARS THERE IS NO LAND AVAILABLE FOR HOUSING ALL LOCAL FACILITIES IE SCHOOLS DOCTORS DENTISTS HAVE NO SPACE CAPACITY ALL THE SOCIAL HOUSING IN THE AREA IS OCCUPIED BY PEOPLE FROM OUTSIDE THE AREA

WE WOULD NEED TO KNOW EXACTLY WHAT WAS PLANNED IN ORDER TO COMMENT ON THIS QUESTION WHILST WE DO NOT OBJECT TO NEW HOMES FOR YOUNG FAMILIES

HAVING LIVED CLOSE TO SOCIAL HOUSING FOR EIGHT YEARS WE HAVE & CONTINUE TO EXPERIENCE PROBLEMS E.G. LITTER DISCARDED & BROKEN TOYS CYCLES SCOOTERS ETC & A GENERAL LACK OF RESPECT FOR AMENITIES AND PROPERTY WE WOULD NOT WISH OTHER HOME OWNERS TO EXPERIENCE THESE PROBLEMS & HOUSING ASSOCIATIONS SEEM UNABLE TO RESOLVE ISSUES

Bleasdale	DEPENDS WHERE THEY WOULD BE BUILT
	THIS IS AN AREA OF OUTSTANDING BEAUTY WHICH HAS OLD STONE

	CONCERN WITH SCHOOL PLACES ETC
	DEPENDS ON LOCATION
	ENOUGH HOUSES ALREADY THE LAST TIME WYRE BOROUGH COUNCIL BUILT AFFORDABLE HOUSES THE LOCAL PEOPLE DID NOT GET THE CHANCE TO MOVE INTO THESE HOUSES INSTEAD WYRE BOROUGH COUNCIL BROUGHT IN TROUBLEMAKERS FROM OTHER PARTS OF THE COUNTY THEREBY CAUSING PROBLEMS WITH ANTI SOCIAL BEHAVIOUR VANDALISM ETC SO WE DO NOT WANT THIS TO HAPPEN AGAIN
	ENOUGH NEW BUILD IN GARSTANG PEOPLE NEED SPACE TO GET AROUND US PART OF THEIR LIVES DON'T TAKE THIS AWAY FROM FUTURE GENERATIONS
	ENVIRONMENTAL DAMAGE
	EXPANSION OF 'SMALL' MARKET TOWN
	EXTENSIVE DEVELOPMENT HAS TAKEN PLACE OVER THE LAST FEW YEARS MUCH OF IT ON GREEN FIELD SITES
	GREEN FIELD SITES HAVE ALREADY BEEN SPOILT BY DEVELOPMENT WHY NOT BUILD ON BROWN FIELD SITES
	HOW SMALL A NUMBER I FEEL THERE ARE ENOUGH HOUSES ALREADY BUILT AND ON THE MARKET

I HAVE AN ISSUE AT THE MOMENT - WE HAVE SOME AFFORDABLE HOUSING WHERE WE LIVE AND THERE IS AN ANNUAL MAINTENANCE FEE THAT WE ALL PAY BUT WE SEEM TO PICK UP THE COST OF THE REDUCTION THAT THE AFFORDABLE HOUSING GETS WHICH IS NOT ACCEPTABLE THE COUNCIL WANTS TO FIND AFFORDABLE HOUSING THEN IT SHOULD COVER ALL COSTS SO THIS IS WHY I WOULD OBJECT IN THE FUTURE

INCREASED COUNCIL TAX LESS GREEN SPACE

IT WOULD DEPEND ON WHAT TYPE OF HOUSING WAS PROPOSED AND WHERE WOULD IT IMPACT UPON THE AMOUNT OF GREEN SPACE AVAILABLE?

LACK OF SUITABLE LAND

MAIN CONCERN IS THAT THE RENTED HOUSING IN THE AREA IS OFTEN TO BE FOUND IN HOMES WHERE THERE IS A LARGE NUMBER OF PEOPLE WHO ARE UNSOCIABLE IN THEIR BEHAVIOUR AND THEREFORE MAKE IT UNSUITABLE FOR THOSE PEOPLE WHO WANT TO LIVE PEACEFULLY AND UNTHREATENED IN A PLEASANT AREA!

MORE HOUSES PUTS MORE STRAIN ON WEAK FACILITIES - DOCTOR DENTIST GYM SWIMMING POOL SCHOOLS CAR PARKS ETC NEED SMALL FLATS OR BUNGALOWS FOR SINGLE OLDER I FIND MY MOBILE HOME TOO EXPENSIVE

NEED TO IMPROVE ROADS

NO MORE DSS

RURAL AREA ON A6

TAKING UP MORE LAND AGAIN

THE ANSWER TO THE 2 ABOVE WOULD HAVE DIFFERENT IF WE COULD BE ASSURED THAT WYRE BOROUGH WOULD REALLY CONSIDER THE NEEDS OF LOCAL PEOPLE BUT UNFORTUNATELY THEY ONLY SEEM TO BE INTERESTED IN SPECIALITIES WHO MAKE THE MOST MONEY FROM AS SMALL AN OUTLAY AS POSSIBLE THEY COULD ALREADY HAVE BEEN MADE TO SUPPLY SOME AFFORDABLE HOUSING WITH THE DEVELOPMENTS RECENTLY UNDER CONSTRUCTION OPPORTUNITY MISSED

THE AREA IS ALREADY BUILT-UP ENOUGH AND VERY BUSY

THE ONLY FREE LAND IN THE PARISH IS AGRICULTURAL THE ONLY LAND AVAILABLE FOR FURTHER DEVELOPMENT IN CABUS AND ALONG GREEN LANE EAST THERE HAVE ALREADY BEEN TWO LARGE DEVELOPMENTS HERE IN RECENT YEARS WITH SOME AFFORDABLE/HOUSING ASSOCIATED PROPERTIES ANY FURTHER DEVELOPMENT WOULD ENCROACH ON A SPECIAL SITE ADJACENT TO THE RIVER WYRE

THERE ARE ALREADY ENOUGH HOMES IN THIS AREA TO COVER ALL REQUIREMENTS

THERE ARE NOT ENOUGH SMALLER AFFORDABLE HOMES FOR YOUNG PEOPLE JUST STARTING OUT

THERE HAVE BEEN MANY MANY NEW HOUSES BUILT IN GARSTANG -ALL VERY EXPENSIVE NEW STARTER HOMES ARE NEEDED BUT NOT WITHOUT IMPROVED FACILITIES LIKE MORE INTO THE DOCTORS AND SCHOOLS

THERE IS AMPLE BUILDING IN MY AREA

THERE IS ONLY AGRICULTURE LAND LEFT UPON WHICH TO BUILD

THERE WILL BE MORE PENSIONERS IN THE FUTURE

TOO MUCH BUILDING ALREADY

USING EXISTING EMPTY PROPERTIES WOULD BE MORE USEFUL FINANCIALLY VIABLE AND REDUCE THE CARBON FOOTPRINT WHAT CONSTITUTES SMALL NUMBER

Catterall	ALREADY LARGE DEVELOPMENT JUST BEEN BUILT
	AMENITIES ARE OVERSTRETCHED NO SHOPS OR FACILITIES AVAILABLE TO COPE WITH INCREASE
	AS ALWAYS THIS WOULD DEPEND UPON LOCATION OF THESE HOMES HOW IT AFFECTS EXISTING PROPERTIES AND THEIR PRICES
	AS LONG AS THE HOMES WERE FOR OUR OWN YOUNG PEOPLE IN THE AREA TO KEEP THEM IN THE AREA IN WHICH THEY HAVE BEEN BROUGHT UP AND WOULD LIKE TO STAY
	BOTH ARE NECESSARY
	DON'T OBJECT TO HOMES FOR LOCAL RESIDENTS
	ENOUGH HOUSES HAVE BEEN BUILT IN CATTERALL IN THE PAST FEW YEARS ITS A VILLAGE NOT A TOWN
	HOMES NEEDED AFFORDABLE FOR YOUNG PEOPLE PRIORITY GIVEN TO YOUNG PEOPLE WITH FAMILY LIVING THIS AREA IF NOT THEN I WOULD OBJECT
	I LIVE HERE AM SLIGHTLY DISABLED BUT THERE ARE NO SHOPS BUT MORE AND MORE HOUSES BEING BUILT
	IN THE PAST 4 YEARS A NEW HOUSING EST. WITH 100 NEW HOMES HAS BEEN BUILT EVERY LARGE PIECE OF LAND IS BEING SOLD TO HOUSING DEVELOPERS LAND WITH ONE HOME ARE BEING DEMOLISHED TO BUILD 4 IN ITS PLACE BOTH THIS AREA AND BEYOND INTO THE TOWN CANNOT SUPPORT THE GROWING COMMUNITIES - THE TRAFFIC AND INFO-STRUCTURE IS BEING STRETCHED TO ITS LIMITS
	INSTEAD OF BUILDING NEW PROPERTIES - USE OLD PROPERTIES AND CONVERT THEM INTO APARTMENTS FOR SINGLE EXECUTING PEOPLE AND THEREFORE KEEP THE COUNTRYSIDE AND VILLAGES SCENIC OR DESIRABLE AND NOT A CONCRETE JUNGLE LOCAL INFRASTRUCTURE UNABLE TO COPE WITH FURTHER URBAN
	DEVELOPMENT MORE FACILITIES NEEDED BEFORE NEW HOMES BUILT
	NEED AFFORDABLE HOUSING ON A SMALL SCALE
	NEW HOUSING DEVELOPMENTS HAVE ALREADY BEEN BUILT RECENTLY AND THERE IS NO DEMAND FOR ANYMORE IN THIS AREA SOME OF THOSE WHICH HAVE BEEN BUILT HAVE LED TO A DEVALUATION OF EXISTING PROPERTIES BECAUSE OF BAD PLANNING
	NO BUT THEY SHOULD BE FOR RENT NOT DAFT SCHEMES THAT WILL RESULT IN THEM BEING EXPENSIVE HOUSING IN A FEW YEARS TIME NOT IN OUR IMMEDIATE LOCATION AS A LARGE BUILDING PROGRAMME IS STILL ONGOING AND HAS BEEN FOR THE LAST 3 YEARS
	ONLY FOR LOCAL PEOPLE WITHIN GARSTANG AREA SEVERAL RECENT NEW BUILD ESTATES ALREADY IN PARISH ANYMORE WOULD HAVE TO BE BUILT ON GREEN LAND WHICH WOULD NOT BE WELCOMED CATTERALL PARISH HAS NO AMENITIES/FACILITIES TO SUPPORT A GROWING POPULATION - THE ONLY SHOP/POST OFFICE HAS JUST CLOSED

IF THEY ARE FOR KEY WORKERS THEN I WOULD NOT OBJECT IN MY OPINION THERE ARE ENOUGH HOUSES IN THE AREA THE CONTINUOUS BUILDING OF YET MORE HOMES IS CHANGING THE SMALL COMMUNITY FEEL OF THE AREA I WOULD ARGUE THAT WE DO NOT HAVE THE INFRASTRUCTURE TO SUPPORT MORE HOMES/PEOPLE (ROADS SCHOOLS MEDICAL ETC)

LACK OF INFRASTRUCTURE IE MEDICAL EDUCATION

NO I WOULD NOT OBJECT THE THING I OBJECT TO IS THAT THEY ARE RENTED PROPERTIES RATHER THAN BEING ABLE TO BUY THEM NO OBJECTIONS TO STARTER HOMES PROVIDING THEY ARE AFFORDABLE FOR YOUNG LOCAL PEOPLE BEARING IN MIND THAT THEY WOULD HAVE TO MOVE ON EVENTUALLY TO ALLOW NEXT GENERATION OF YOUNG PEOPLE TO START OFF IN A HOME

On a case-by-case basis. Parish says no local demand only from far away like Fleetwood. Many empty and properties for sale locally at the moment and empty units in in Garstang

	CONCERN WHATEVER HOUSING WAS CONTEMPLATED
	MAIN CONCERN WOULD BE WHERE TO BUILD? WHERE HOUSES ARE NOT OVERLOOKED?
	MORE HOUSING NEEDED TO MEET DEMAND FROM YOUNG SINGLES
	YOUNG FAMILIES AND THOSE RETIRING INCLUDING THOSE WITH DISABILITIES
	MUST BE IN THE RIGHT PLACE WITH STRICT TENANCY OWNERSHIP
	CONDITIONS (E.G. NOT COUNCIL HOMES TO BE SOLD OFF) OTHER
	FACILITIES MUST BE AVAILABLE E.G. POST OFFICE SHOP VILLAGE
	HALL THERE WOULD BE NO POINT IN EXTRA HOUSES - EXTRA TRAFFIC
	- WITHOUT THINKING OF OTHER CONCERNS
	NO SHOPS OR FACILITIES NOT MUCH GOOD FOR FAMILIES NOT
	OWNING CARS DOCTORS IS 5 MILES AWAY AND DIFFICULT TO GET TRANSPORT TO
	PREFER HOMEOWNERS THAN RENTED - LARGE AMOUNT RENTED
	ALREADY EXISTS
	SMALL NUMBER BROWN FIELD ONLY
	SMALL VILLAGE WITH 2 SITES OF AFFORDABLE HOUSING ALREADY IN
	PLACE A MIXTURE OF SMALL TO LARGE FAMILY HOMES AGAIN IN
	PLACE
	SOCIAL HOUSING ONLY
	THERE ARE AT PRESENT NEW HOUSES BUILT IN HOLLINS LANE AND THE STYLE AND SIZE OF THESE PROPERTIES IS COMPLETELY INAPPROPRIATE THEY ARE NOT IN KEEPING WITH THE COTTAGES AND SPOIL THE OLD FASHIONED CHARM OF THE AREA WE ALSO HAVE A
	GROUP OF NEW HOUSES WYRE HOUSING WHAT IS NEEDED IE FACILITIES FOR THE CHILDREN WHO LIVE HERE
	THERE ARE NO AMENITIES
	THERE HAS BEEN TROUBLE WITH ROWDINESS IN THE VILLAGE WHICH
	IS FRIGHTENING FOR SOME OF THE ELDERLY PEOPLE
	WE ALREADY HAVE LOW COST HOUSES - THE MAJORITY OF PEOPLE NOW LIVING IN THEM HAVE NO LINKS TO THE VILLAGE (THE REASON
	THEY WERE BUILT) LOCAL PEOPLE NO LONGER WANT TO TAKE UP
	THESE HOUSES (ELDERLY OR YOUNG) AS THE PEOPLE IN THEM NOW
	ARE ROUGH POLICE ARE REGULARLY ON THE ESTATE DUE TO
	TROUBLE WITH RESIDENTS SO NO THANKS
Garstang	A LOT OF NEW HOUSING BUILT NOT ALL OCCUPIED NOT AWARE OF NEED
	AFFORDABLE STARTER HOMES ARE DESPERATELY REQUIRED MY
	DAUGHTER IS 25 LIVED IN GARSTANG ALL HER LIFE & WORKS 40 HRS
	PLUS PER WEEK & STILL CANNOT AFFORD ANY PROPERTY IN
	ALREADY OVER BUILT ON WOULDN'T OBJECT IF OUTSIDE OF MAIN

TOWN ALTHOUGH WE HAVE HAD MANY NEW ESTATES RECENTLY BUILT AROUND GARSTANG AND AS AN NHS WORKER I KNOW SERVICES ARE STRETCHED ALREADY (IE SOCIAL SERVICES MENTAL HEALTH SERVICES ETC)

BECAUSE HOUSES ARE NOT BUILT FOR THE NEEDS OF THE PEOPLE ONLY FOR THE NEEDS OF THE DEVELOPERS WITH NO THOUGHTS OF THE QUALITY OF LIFE OF THE PEOPLE GOING INTO THEM

BECAUSE MOST WOULD GO TO UNMARRIED MOTHERS BECAUSE YOU SEEM TO BE UNABLE TO HAVE HOUSES BUILT WHICH YOUNG COUPLES CAN AFFORD WHEN HOUSES OF THE STARTER TYPE ARE BUILT THEY ARE TAKEN BY RETIRED COUPLES WHO CAN AFFORD TO BUY WITHOUT A MORTGAGE

BUILDERS HAVE PROVIDED MAINLY 4 BED DETACHED HOMES ON VERY SMALL PLOTS OVER THE PAST 15 YEARS THESE ARE UNAFFORDABLE OR YOUNG SINGLES/COUPLES FROM THE LOCALITY WHO HAVE TO MOVE AWAY THE INFRASTRUCTURE CANNOT COPE WITH LARGE NUMBERS OF INCOMING (LARGE) FAMILIES WHO WORK OUTSIDE THE AREA (BECAUSE THEY CAN AFFORD HOMES)

DEPENDANT ON LOCATION

DEPENDING ON SITE NEED TO PROTECT SOME OF OUR GREEN AREAS IN THE MIDDLE OF GARSTANG CONSIDER THE LOCAL WILDLIFE

DEPENDS ON TYPE AND SITING OF HOMES DEPENDS WHAT SMALL MEANS THERE WERE PLANS INTO BUILD 150 HOMES BEHIND OUR HOUSE IT WAS TURNED DOWN BUT I WOULD OBJECT TO THIS KIND OF DEVELOPMENT

DOESN'T APPEAR TO BE A REAL NEED IN THE IMMEDIATE AREA

DON'T WANT PROBLEM FAMILIES FROM OTHER PARTS OF THE WYRE EACH TIME HOUSES FOR THE COMMUNITY ARE BUILT THEY ARE EITHER RETIREMENT FLATS OR HUGE HOUSES WHICH ARE OUTSIDE YOUNG PEOPLE WHO ARE SINGLE OR COUPLES RESOURCES

ENOUGH HOUSES ALREADY

GARSTANG ALREADY HAS A HIGH % OF RETIRED RESIDENTS AND A CONTINUED INCREASE IN RETIREMENT ACCOMMODATION WILL DETRIMENTALLY AFFECT THE VIBRANCY OF THE COMMUNITY THE TRANSPORT NETWORK CANNOT SUPPORT EXISTING FAMILIES AND COMMUTERS WITH TRAVEL TIMES BY CAR OFTEN OVER 1 HOUR TO PRESTON OR LANCASTER AND AN INFREQUENT AND OVER PRICED BUS SERVICE

GARSTANG GETTING TOO BIG

GARSTANG HAS A SEVERE ON ROAD PARKING PROBLEM THE CAR PARKING (2) ARE NEAR TOWN CENTRE & SHOULD BE PRICED TO ALLOW THE ON ROAD PARKERS TO USE THEM IE DOUBLE YELLOW LINES ON THE PROBLEM ROADS NO PARKING APART FROM DISABLED & THEN ONLY MAXIMUM 30 MINUTES IN THE HIGH STREET I HAVE A RESIDENTS PARKING PERMIT

GARSTANG HAS BECOME A VERY BUILT UP AREA IN RECENT YEARS AND IS IN DANGER OF BECOMING OVERCROWDED SO LOSING ITS ATTRACTION AS A PLEASANT WELL CARED FOR SMALL RURAL MARKET TOWN A SOLUTION MIGHT BE FOR THE COUNCIL TO BUY THE FREEHOLD OF HOUSES SUITABLE FOR YOUNG PEOPLE AS THEY COME ON THE MARKET AND TO SELL-ON LEASEHOLD ON A SHARED OWNERSHIP BASIS? OR IS THIS TOO RADICAL AN IDEA!! GARSTANG HAS ENOUGH HOUSING WE NEED TO KEEP A FEW GREEN

GARSTANG HAS ENOUGH HOUSING WE NEED TO KEEP A FEW GREEN SPACES

GARSTANG IS ALREADY OVERCROWDED WITH HOUSES SOMETIMES IT IS IMPOSSIBLE TO PARK WITH READY ACCESS TO THE HIGH STREET GETTING A DOCTORS APPOINTMENT WITHIN A WEEK FOR NON-URGENT CASES IS ALMOST IMPOSSIBLE

GARSTANG IS ALREADY OVER-DEVELOPED

GARSTANG IS TOO LARGE NOW I DON'T SEE WHERE YOU WOULD PUT MORE HOUSES

GARSTANG PARISH HAS HAD MORE THAN ITS SHARE OF NEW HOMES VERY FEW OF WHICH COULD BE CALLED AFFORDABLE AS PRICES ARE HIGH IT SEEMS THAT NEW HOUSING JUST BRINGS IN MORE WELL-OFF PEOPLE FROM OUTSIDE THE AREA WHICH DOESN'T HELP LOCALS NEW BUILDING IS DESTROYING THE CHARACTER OF THE TOWN IF WE NEED ANYTHING IT'S BUSINESSES & JOBS NOT MORE HOMES GARSTANG TRADITIONALLY HAD SINGLE STOREY ACCOMMODATION E.G. BUNGALOWS IN THE LAST 10-15 YEARS THE TREND HAS CHANGED TOWARDS 5-BED EXECUTIVE HOMES 3 STOREY HOMES AND

APARTMENTS ALL OF WHICH ARE INAPPROPRIATE IN A SMALL MARKET TOWN

GARSTANG USED TO BE A VILLAGE IT IS GROWING INTO A LARGE TOWN

I DO LIVE IN A BUILT UP AREA

I THINK ANYMORE BUILDINGS WOULD SPOIL GARSTANG AS A SMALL TOWN IF BUILT NEAR THE CENTRE OF THE TOWN

I WOULD OBJECT TO HOMES FOR SO CALLED TRAVELLERS INCREASED TRAFFIC POLLUTION & DISTURBANCE TO NATURAL BEAUTY OF THE AREA

INDEPENDENT SETTLED HOUSING FOR HOUSEKEEPER WHO HAS LIVED IN PARISH FOR 44 YEARS

INSUFFICIENT INFRASTRUCTURE TO SUPPORT ADDITIONAL POPULATION INSUFFICIENT AFFORDABLE PUBLIC TRANSPORT TO CENTRES OF EMPLOYMENT OVERDEVELOPMENT (BY DENSITY) INSUFFICIENT LOCAL AMENITIES IE COMMUNITY CENTRE TRAFFIC CONGESTION (CARS)

IT DEPENDS WHERE THE HOMES ARE

IT IS ALREADY DIFFICULT TO GET AN APPOINTMENT AT THE DOCTORS HOUSES AND FLATS ETC HAVE BEEN BUILT IN ABUNDANCE DANGER OF LOSING OUR IDENTITY AS A TOWN ALSO VERY CONCERNED WHEN GOOD AGRICULTURAL IS BUILT ON

ITS LOSING ITS APPEAL

KEEP BUILDING IN GARSTANG SOON NOT ENOUGH SCHOOLS ETC IT USED TO BE A NICE SMALL TOWN NOW IT'S BUILD IS TAKING OVER LOTS OF PROPERTIES BUILT OVER LAST DECADE OR SO REMAIN UNOCCUPIED SUGGESTING THEIR COST EXCEEDS AFFORDABLE DEMAND INFILL CONSTRUCTION HAS ALSO BEEN EXTENSIVE LEAVING NEGLIGIBLE SPACE FOR SIMILAR DEVELOPMENTS AT THE SAME TIME THE BURDEN OF NEW DEVELOPMENTS ON INFRASTRUCTURE HAS BEN EXCESSIVE CAUSING KNOCK ON EFFECTS OF CON

MANY HOUSES AND FLATS HAVE BEEN BUILT IN RECENT YEARS OUR LARGE VILLAGE HAS BECOME A TOWN

MY CONCERN IS THE AMOUNT OF LAND ALLOCATED TO THE TRAVELLERS AND THE EFFECT OF THE POTENTIAL THIS MIGHT HAVE FOR EXPANSION

NEW BUYERS NOT BEING ABLE TO AFFORD DECENT SIZED STARTER HOMES DUE TO HOUSE PRICES BEING HIGH IN THIS AREA PR3

NO ADDITIONAL NEW HOMES AS LISTED ABOVE WOULD BE OF INTEREST TO ME OR MY FAMILY GARSTANG HAS HAD ITS SHARE OF NEW HOUSING IN RECENT YEARS SOME AREAS OF GARSTANG HAVE BEEN AFFECTED MORE THAN OTHERS TOGETHER WITH THE DOWNTURN IN THE ECONOMY THIS INCREASE IN HOUSING HAS REDUCED THE VALUE OF THE EXISTING HOUSING ARTIFICIALLY LOW PRICED NEW HOUSING ONLY REMAINS LOW FOR THE FIRST PURCHASE

NO NEW FACILITIES IE PLAY PARK DOCTORS VERY BUSY BIG CLASS SIZES NOT ENOUGH TO KEEP YOUTHS OCCUPIED

NOT BEFORE EXPLORATION OF POSSIBLE MODERNISATION (TO A CERTAIN EXTENT) OF EXISTING PROPERTIES DEVELOPERS ARE APT TO GET CARRIED AWAY AS I FOUND TO MY DISAPPOINTMENT IN THE PAST

NOT ENOUGH CHEAP HOUSING

NOT NEEDED IN THIS AREA

OK IF LOCAL BUT MANY SEEM TO BE LET TO PEOPLE FROM OTHER AREAS

Over developed and pressure on facilities.

OVER INTENSIFICATION

PROVIDING DOCTORS DENTIST SCHOOLS ETC ARE UPGRADED ALSO

REFERRING TO Q9 NEW HOMES MEAN MORE PEOPLE OBVIOUSLY CAN SCHOOLS HEALTH SERVICES ETC COVER THIS?

SERVICES NOT INCREASED (IE POLICE FIRE (ON CALL) AMBULANCE (NOT STATIONED IN TOWN) EVEN NOW AFTER BUILDING OF HUNDREDS OF HOUSES OVER LAST 25 YRS NOT ENOUGH DENTISTS ETC CARS EVERYWHERE ON STREETS (PARKED ALL DAY FOR WORKERS RATHER THAN ON CAR PARKS (BECAUSE OF CHARGES) PARKED BECAUSE PEOPLE WILL NOT USE THEIR HOUSE DRIVE (TOO MANY CARS AND TOO LAZY TO MOVE THEM ROUND WHEN NEEDED)

SICK OF PAYING FOR OTHER PEOPLE IN THE STREET WHO SPONGE OFF THE HONEST HARD WORKING PEOPLE

SISTER LIVING PART TIME BETWEEN ME AND HER SON SHE HAD A MOBILE HOME BUT UP FOR SALE SONS WIFE JAPANESE & LANGUAGE PROBLEMS CUSTOMS ETC

THE AREA IS ALREADY OVERPOPULATED

THE COST OF HOUSING IN MY AREA IS VERY HIGH MANY PEOPLE CAN'T AFFORD TO BUY HOUSES ESPECIALLY IN THE CURRENT CLIMATE

THE INCREASE IN POPULATION IN GARSTANG IN THE LAST FEW YEARS HAS CHANGED A LARGE VILLAGE INTO A SMALL TOWN SOME OF THE DEVELOPMENT (NOT ALL) HAS BEEN WHOLLY INAPPROPRIATE E.G. 3 STOREY HOUSING IN AND AROUND PASTURE DRIVE SO CALLED ECO-HOMES ADJACENT TO THE CANAL

THE TOWN CENTRE AND ROAD SYSTEM WILL NOT COPE WITH LARGER POPULATION AND I ASSUME IT WOULD BE VERY EXPENSIVE TO MODIFY

THERE APPEAR TO BE PLENTY OF PROVISION OF AFFORDABLE HOUSING IN THIS AREA FOR THE YOUNG PEOPLE FROM THIS AREA EACH NEW HOUSING DEVELOPMENT (AND THERE HAVE BEEN PLENTY OF THOSE FOR THE SIZE OF GARSTANG) APPEARS TO CONTAIN A NUMBER OF UNITS FOR AFFORDABLE HOUSING WE HAVE OVER DEVELOPMENTS OF FLATS BUILT FOR OVER 55'S MANY OF THESE FLATS I AM INFORMED REMAIN EMPTY

THERE ARE ALREADY TOO MANY CARS IN THE AREA AND INEVITABLY NEW HOMES MEAN MORE CARS PARKING AND ACCESS BECOMES VERY DIFFICULT

THERE ARE ENOUGH HOMES IN THIS PARISH ALREADY

THERE ARE ENOUGH HOUSES ALREADY

THERE ARE ENOUGH HOUSES IN GARSTANG ALREADY

THERE IS NO AVAILABLE LAND OTHER THAN GREEN FIELDS THERE SHOULD BE MORE NEW HOMES FOR THE YOUNG ONES THAT ARE GROWING UP IF THERE ARE PLENTY THEY WILL STAY IN GARSTANG BUT YOU MUST THINK THAT THERE SHOULD BE PLACES FOR THEM TO GO AT NIGHT NOT JUST PUBS MORE SHOULD BE DONE IT IS ABOUT TIME

THERE WOULD BE NO NEED FOR ANY IF PEOPLE FROM OUTSIDE PARISH WERE NOT ALLOWED TO MOVE INTO RENTED PROPERTY OUR OWN FAMILIES HAVE HAD TO MOVE AWAY THEY CANNOT GET RENTED OR AFFORD HOUSE PRICES

THEY ARE AFFORDABLE TO THE FIRST OWNER WHO SELLS THEM ON AT A PROFIT SUBSIDIZED BY TAXATION THEY DISTORT THE MARKET AND CAUSE PRICE RISES RENTED HOUSES SHOULD BE WHOLLY COUNCIL OWNED AS THEY MAY BE BOUGHT THEY SHOULD NOT BE BUILT IF PEOPLE WHO PROVIDE SERVICES CANNOT BUY THEN PRICES WILL FALL UNTIL THEY CAN

THEY WOULD NOT MEET THE NEEDS OF LOCAL PEOPLE OUTSIDERS WOULD GET FIRST CHOICE

TOO MANY 4/5 BEDROOM EXECUTIVE TYPE HOMES

TOO MANY HOUSES FOR SALE AND EMPTY FLATS THAT ARE NEW AND ARE UNSOLD

TOO MANY HOUSES HAVE ALREADY BEEN BUILD SINCE WE MOVED HERE IN 1993 IT IS DIFFICULT TO DESCRIBE IT AS A SMALL MARKET TOWN NOW WE NEED MORE AMENITIES FOR ALL THE PEOPLE THAT MOVED INTO ALL THE NEW HOUSING NOT MORE HOUSES

VERY FEW SMALL AFFORDABLE HOMES FOR FIRST TIME BUYERS ALL NEW SMALLER HOUSING IS FLATS/APARTMENTS

WE ARE LOSING ALL THE GREEN SPACES AT THE MOMENT ENOUGH HOUSES FLATS FOR PEOPLE TO AFFORD

WE HAVEN'T GOT SUFFICIENT INFORMATION TO ENABLE US TO MAKE ANY SORT OF OBJECTIVE JUDGEMENT IN THIS MATTER WE NEED AFFORDABLE HOUSING FOR LOCAL EMPLOYED YOUNG

MARRIED COUPLES WHILST I DO NOT OBJECT AS I FEEL THERE IS A NEED FOR AFFORDABLE HOMES FOR YOUNG FAMILIES I AM VERY CONCERNED ABOUT THE USE OF GREEN BELT AROUND GARSTANG ALSO THE NEED FOR AMENITIES - IF THE GARDENS ARE SMALL WHERE CAN THE CHILDREN PLAY? INCREASE OF TRAFFIC ETC

WITH SOME EXCEPTIONS MOST RECENT BUILDING HAS BEEN LARGE EXPENSIVE DETACHED HOUSES BOUGHT BY PEOPLE FROM OUTSIDE THE TOWN MOST WORK IN TOWN IS LOW PAID AND YOUNG PEOPLE CANNOT FIND AFFORDABLE HOMES HERE THE MAJORITY OF PEOPLE WHO LIVE IN GARSTANG TRAVEL OUTSIDE TO WORK AND THOSE WHO WORK HERE TRAVEL OUTSIDE TO FIND AFFORDABLE HOUSING TOO MANY FLATS/HOUSES ARE BOUGHT UP BY LANDLORDS

WOULD NOT OBJECT IF NEW DEVELOPMENTS WERE BUILT WITHIN PLANNING CONSENTS RECENT DEVELOPMENTS WERE NOT

YOUNG PEOPLE ARE HAVING TO MOVE OUT OF GARSTANG BECAUSE OF THE PRICE OF HOUSING AFFORDABLE HOME NEEDED

Great	
Eccleston	ADDITIONAL NEW HOMES TO BE RESTRICTED TO INFILL ONLY
2001001011	ALREADY A CONSIDERABLE AMOUNT OF BUILDING IN THIS VILLAGE
	ANY TROUBLE IN THIS VILLAGE IE DRUNKENNESS FIGHTING DRUGS SHOUTING IN THE STREET WELL AFTER MIDNIGHT VANDALISING PROPERTY SEEMS TO STEM LARGELY FROM THE 'AFFORDABLE HOUSING' ALREADY HERE IE THE COUNCIL HOUSES ON ST MARYS ROAD (WHERE ROUGH PEOPLE HAVE BEEN DRAFTED IN FROM OUTSIDE AREAS)
	BUILT TO CAPACITY AND SPACE ALREADY
	Careful consideration to vehicle access and parking facilities needed. DEPENDS WHERE WHAT THEY LOOKED LIKE AND HOW SMALL A NUMBER
	ENOUGH HOMES FOR THE VILLAGE TO SUSTAIN DRAINAGE NOT GOOD ROADS IN VILLAGE WILL NOT CARRY ANYMORE TRAFFIC
	GREAT ECCLESTON HAS GROWN OVER THE YEARS AND THERE ARE NOT MANY IF ANY INFILL SITES LEFT TO EXPAND THE VILLAGE WOULD BE TO BUILD ON FARM LAND ONCE THAT STARTED ROUND THE BOUNDARIES WHERE WOULD IT STOP NO LAND WOULD BE SAFE FROM BUILDERS
	GREAT ECCLESTON IS A BIG ENOUGH VILLAGE AS IT IS THERE SHOULD BE NO MORE BUILDING
	HOWEVER IT COULD ONLY BE A SMALL NUMBER AS THIS IS A RURAL AREA WITH VERY LITTLE CRIME AND FEW PROBLEM FAMILIES! I CHOSE TO LIVE HERE BECAUSE IT IS A VILLAGE AND LED TO BELIEVE
	PROTECTED FROM FURTHER DEVELOPMENT OF BROWNFIELD SITES WHICH IS OK HOWEVER I WOULD NOT LIKE FURTHER SURROUNDING AGRICULTURAL LAND TO BE USED
	IT WOULD DEPEND ON A LOT OF FACTORS ON WHICH TYPE OF HOMES THEY WERE WHO WOULD BE LIVING IN THEM ETC
	LOCAL SCHOOLS ARE OVER SUBSCRIBED MEANING MORE FAMILIES CANNOT BE ACCOMMODATED FOR THE HEALTH CENTRE IS STRETCHED TO CAPACITY I HAVE CHOSEN TO LIVE IN A VILLAGE SO
	THAT THE CHILDREN GROW UP IN A CLOSE KNIT COMMUNITY WHICH DISAPPEARS WITH MORE PEOPLE THE LAST BATCH OF AFFORDABLE HOUSING WAS SOLD TO PEOPLE LIVING OUTSIDE THE PARISH AND MANY HOUSES HAVE BEEN EXTENDED MEANING THEIR VALUE HAS
	INCREASED MOST HOMEOWNERS IN RURAL AREAS HAVE CHOSEN TO INVEST IN
	THEIR HOUSE BECAUSE OF THE RURAL LOCATION ALMOST EVERYONE INCLUDING MYSELF AND MY WIFE WISHES TO RETAIN THE
	STATUS QUO OF THEIR IMMEDIATE AREA AND SURROUNDINGS AND TO MAINTAIN THE COUNTRY CHARACTER IN ORDER TO PROTECT THEIR INVESTMENT
	NOT AVERSE BUT WOULD NOT WANT TO SEE THE CHARACTER & SIZE OF VILLAGE CHANGED MARKEDLY NOR WOULD WE WANT TO SEE AN EROSION OF THE SURROUNDING COUNTRYSIDE
	NOT ENOUGH PARKING (VILLAGE SQ OFF STREET HEALTH CENTRE ETC) VILLAGE NEEDS A ONE WAY TRAFFIC SYSTEM

PLANS OUTLINED TO DATE DO NOT ADDRESS ACCESS NEEDS FACILITIES IN VILLAGE ARE ALREADY STRETCHED HEALTH CENTRE SCHOOL PARKING HOUSES DESCRIBED ARE LIKELY TO BE COUNCIL / HOUSING ASSOCIATION OWNED

QUITE HAPPY TO HAVE NEW HOMES BUT DON'T BRING PEOPLE FROM OUT OF THE AREA ONLY LOCAL PEOPLE I COULDN'T EVEN GET A HOUSE WHEN I MOVED BACK ROUND HERE AFTER MY HUSBAND LEFT THIS WAS BECAUSE THEY FILL THEM UP WITH PEOPLE FROM FLEETWOOD AND AWAY SO I HAD TO RENT PRIVATELY WHICH IS MORE EXPENSIVE ESPECIALLY ROUND HERE

SMALL VILLAGE WHICH WILL LOSE CHARACTER WITH MORE BUILDING THE VILLAGE IS FAST LOOSING ITS CHARACTER IDENTITY AND SAFETY RECORD THE FACILITIES IE DOCTORS ETC ARE PHYSICALLY INCAPABLE OF LARGER NUMBERS ROADS AND PAVEMENTS ARE INADEQUATE

THE VILLAGE IS FULL ENOUGH THERE ARE NO BROWN PLOTS THEREFORE YOU WOULD BE TAKING VALUABLE FARMING LAND OR FLOOD PLAIN

There are ample houses available within this village THERE DOES NOT APPEAR TO BE A GREAT SHORTAGE OF HOUSING IN THE VILLAGE AND I AM AGAINST ANY BUILDING ON FARMLAND OR ON GREEN BELT LAND THE VILLAGE IS A GOOD SIZE WITH A GOOD BALANCE HOUSING WITH ADEQUATE AMENITIES

THERE IS ALREADY A SIGNIFICANT NUMBER OF SOCIAL HOUSING AND AFFORDABLE PRIVATE RENTAL PROPERTIES IN THE AREA (GREAT ECCLESTON) IN ADDITION IN A NUMBER OF CASES PEOPLE FROM OUTSIDE OF THE AREA HAVE BEEN PLACED IN SOCIAL HOUSING IN THE VILLAGE AND HAVE BROUGHT SOCIAL PROBLEMS WITH THEM -DRUGS HOUSE BREAKING & VIOLENCE

WE FEEL IT IS UNLIKELY THAT HOMES FOR LOCAL PEOPLE WOULD BENEFIT OUR LOCAL PEOPLE (IE PEOPLE FROM GREAT/LITTLE ECCLESTON ONLY) MORE LIKELY THEY WOULD BE USED BY COUNCILS LOOKING TO MOVE BENEFIT FAMILIES THE VILLAGE DOES NOT HAVE THE FACILITIES TO SUPPORT THESE KINDS OF HOUSEHOLDS THE EXISTING FACILITIES (DOCTORS/DENTIST ETC) ARE ALREADY STRETCHED TO CAPACITY & LOCAL RDS/PUBLIC PARKING CANT COPE WE HAVE ENOUGH AFFORDABLE HOUSING ALREADY IN THE VILLAGE WE HAVE A HIGH PERCENTAGE OF COUNCIL/AFFORDABLE HOUSES FOR SUCH A SMALL VILLAGE WE ALREADY HAVE PROBLEMS FROM YOUNG PEOPLE IN THE COUNCIL/AFFORDABLE HOMES WHO ARE VERY VISIBLE WITH THEIR DISRUPTIVE BEHAVIOUR ANY MORE WOULD

ALTER THE VILLAGE STRUCTURE WE SELECTED GREAT ECCLESTON BECAUSE WE WANTED TO LIVE IN A SMALL VILLAGE BUT IT HAS GROWN SO MUCH THAT IT NOW RESEMBLES A SMALL TOWN WITH LIMITED FACILITIES (THAT WE HAD A BANK & BUILDING SOCIETY & SOLICITOR BUT ALL HAVE NOW DEPARTED)

WE THINK THAT Q8 IS REALLY TOO BROAD TO COME DOWN ONE WAY OR THE OTHER OUR GUESS IS THAT FEW PEOPLE WOULD OBJECT IN PRINCIPLE TO BUILDING A FEW EXTRA HOMES IN THE AREA THE PROBLEM ARISES WHEN IT IS IN ONES LOCALITY THEN ISSUES SUCH AS ARE THEY IN KEEPING LOWERING THE TONE ETC BECAUSE RELEVANT

WOULD DEPEND ON CERTAIN FACTORS E.G. WHERE THEY WERE BUILT MAINLY

Wyre has already been significantly developed and road traffic volumes are already high. New build focus should be on urban areas to eliminate transport requirements.

Hambleton	AN ALREADY OVER-LOADED INFRASTRUCTURE TRAFFIC PROBLEMS ENTERING AND LEAVING THE VILLAGE ARE ALREADY PROBLEMATIC RECENT SO CALLED HOUSING TO MEET THE NEEDS OF LOCAL PEOPLE TURNED OUT TO BE ANYTHING BUT!! AS LONG AS ANY DEVELOPMENTS DOESN'T DETRACT FROM RURAL
	NATURE OF THE AREA
	AS Q8 BUSY COUNTRYSIDE NOT A TOWN OR CITY!!
	BAD HEALTH
	BECAUSE OF THE TYPE OF ROADS WITHIN THE VILLAGE NOT NEEDING MORE TRAFFIC & SEWERS & FRESH WATER DRAINS HAVE NOT BEEN IMPROVED FOR MAY YEARS
	BECAUSE THE INFRASTRUCTURE WOULDN'T SUPPORT NEW HOUSES THE SERVICES ARE AT THEIR LIMIT FOR THIS VILLAGE THE ROADS IN THE AREA ARE ALREADY OVERCROWDED & NOT SUITABLE FOR A SMALL VILLAGE THE SEWER SYSTEM ALSO IS AT FULL CAPACITY
	BECAUSE THERE IS ONLY ONE ROAD TO OVER WYRE THAT IS SHARD BRIDGE IT ALREADY CHAOTIC AT WEEKENDS
	BEFORE ANY FURTHER PROPERTIES ARE BUILT I THINK THE INFRASTRUCTURE NEEDS TO BE PUT IN PLACE IE DRAINAGE IS A HUGE PROBLEM ROADS POOR STATE AND IN PARTICULAR THE MAIN ROAD THROUGH HAMBLETON IS TOO NARROW AND DANGEROUS FOR THE AMOUNT OF TRAFFIC IT TAKES AND A NIGHTMARE AT PEAK TIMES BUS TIMES INADEQUATE FOR RETURNING AT NIGHT HAVE TO LEAVE E.G. BLACKPOOL LATEST 10PM TO BE ABLE TO GET HOME
	BIGGER COMMUNITY
	BUILDING MORE HOMES WOULD TAKE UP WHAT LITTLE LAND THERE IS AVAILABLE AND FURTHER RUIN THE CHARACTER OF THE VILLAGE LOW COST HOMES ALREADY BUILT ARE BRINGING IN UNRULY FAMILIES AND SPOILING THE VILLAGE
	BUILT UP ALREADY WITH GREEN BELT AFFORDABLE HOUSING IS NOT SELLING THERE ARE LOTS OF HOUSES ALREADY FOR SALE OR RENT LYING EMPTY
	DRAINAGE IS REACHING SATURATION POINT
	DRAINS WILL NOT COPE
	EXPANSION OF THE VILLAGE WOULD LOSE ITS IDENTITY
	EXTRA TRAFFIC WE ARE FREE FROM VANDALS AND TEENAGE GANGS AS THERE NO FACILITIES FOR TEENAGERS BOREDOM FROM INCOMERS COULD RESULT IN TROUBLE 2 BED HOUSES WOULD BE GOOD AS 1 BED BUNGALOWS RESTRICTED SOCIAL LIFE
	FIELDS BEING USED AND SCENERY THEN BECOMES VERY CONCRETE AND NOT AESTHETICALLY PLEASING EXTRA TRAFFIC ESPECIALLY IN RUSH HOURS
	FOR LOCALS ONLY
	HAMBLETON HAS ALREADY GOT AFFORDABLE HOUSING FOR A RURAL VILLAGE
	HAMBLETON HAS ALREADY UNDERGONE MORE BUILDING PROJECTS ON A CONSIDERABLE SCALE GIVEN THE SIZE OF THE VILLAGE IT WOULD BE A GREAT LOSS TO THE PRESENT COMMUNITY TO LOSE THE VILLAGE AMBIENCE AND TRANQUILLITY

HOME NEEDED FOR YOUNG SINGLE PEOPLE TO KEEP THE VILLAGE ALIVE ESPECIALLY NEWLY MARRIED COUPLES WHO HAVE GROWN UP IN THE VILLAGE HOMES FOR THE DISABLED AND ELDERLY I BELIEVE WE HAVE SUFFICIENT HOMES IN THIS AREA THE INFRASTRUCTURE CANNOT TAKE ANY MORE HOMES DRAINAGE SYSTEM STRUGGLES NOW I DON'T HAVE ANY FAITH IN THE PLANNING DEPARTMENT TO REFLECT/CONSIDER THE IMPLICATIONS/WISHES OF EXISTING RESIDENTS I FEEL THERE'S ENOUGH HOUSING IN HAMBLETON AND DON'T SEE ANY POINT IN PUSHING IN MORE WHEN THE NEXT VILLAGE STALMINE IS CRYING OUT FOR MORE TO SUPPORT FAMILIES THAT WANT TO STAY WHERE THEY WHERE BORN AND BRED I THINK THE VILLAGE HAS REACHED SATURATION POINT I WOULD OBJECT TO HOUSES BEING BUILT ON GREEN BELT IF FOR LOCAL PEOPLE IT WOULD BE OK WE HAVE HAD AN INFLUX OF NON-LOCAL PEOPLE WHICH HAS NOT HELPED LOCAL YOUNG PEOPLE FIND HOMES AND HAS CAUSED SOME PROBLEMS WITHIN THE VILLAGE In the last five years an affordable housing scheme has been built off Arthurs Lane, this was supposed to answer the need for affordable housing and I think this is adequate for Hambleton as there are studios, flats etc at the cheaper end of the market at the Conifers, Riverside Drive and by Ingol lane. IT IS IMPORTANT THAT THE AREA REMAINS RURAL THE TRANSPORT VIA SHARD BRIDGE IS EXCESSIVE AS IT IS WITHOUT EXTRA HOUSING YOU CAN SEE THE TRAFFIC PROBLEMS ON THE AMANDENESS WAY EXTRA HOUSING IN THORNTON AND FLEETWOOD HAS CAUSED LAST TIME AFFORDABLE HOMES WERE BUILT IT WAS NOT SPECIFICALLY FOR LOCAL PEOPLE A FRIEND OF MINE WHO HAS LIVED IN HAMBLETON ALL HIS LIFE WAS TURNED DOWN HIM AND HIS WIFE ARE HARDWORKING IN SAFE EMPLOYMENT AND GREW UP HERE! LOCAL HOMES FOR LOCAL PEOPLE NOT OTHERS LOOKING TO EXPLOIT THE SYSTEM ETHNIC MINORITY GROUPS? MORE HOMES MEANS MORE PEOPLE AND MORE TRAFFIC THIS AREA IS CLASSED AS A VILLAGE AND SHOULD STAY WITH LANES AND PATHWAYS NOT LARGE ROADS TO TAKE THE VEHICLES TO THE ESTATES/HOMES NEED TO LOOK AFTER LOCAL COMMUNITY PRIMARILY NEW BUILDS HAVE ALREADY TAKEN PLACE IN THE AREA NO MORE ROOM TO BUILD MAIN ROAD NOW VERY BUSY DURING RUSH HOURS NO PROBLEM IF IN THE BOUNDARY OF THE VILLAGE I OBJECT TO THEM BEING BUILT IN GREEN BUILT LAND NOT ENOUGH INFO RE LAND LOCATIONS ETC NOT RENTED HOMES FOR LARGE FAMILIES AND MUST BE FOR LOCAL PEOPLE ONLY ONLY IF LOCAL PEOPLE AND 'ONLY' LOCAL PEOPLE BENEFIT ONLY THING IS ON THE BLOCK OPPOSITE ME NO ONE WORKS AND IT'S A BIT WEIRD OVER BUILDING NOT ENOUGH GREEN SPACES ETC OVER THE YEARS MORE NEW HOMES HAVE BEEN BUILT AND REGRETTABLY THE VIOLENT BEHAVIOUR IN THE EVENING HAS INCREASED ALARMINGLY AND SO HAS CRIME TRAFFIC IS NOW VERY DANGEROUS IE SPEED AND YOUNGER PEOPLE PARK ON PAVEMENTS WHILST HANDICAPPED PEOPLE HAVE TO WALK/RIDE IN THE ROAD

OVERSTRETCHED PUBLIC SERVICES INFRASTRUCTURE UNLIKELY TO COPE WITH ADDITIONS TO TRAFFIC & DRAINAGE REQUIREMENTS POSSIBLY OBJECT IF NEW PROPERTIES ARE NOT IN KEEPING WITH OTHER VILLAGE PROPERTIES AND/OR BUILT ON GREEN BELT LAND IT WOULD BE INAPPROPRIATE TO HAVE RENTED LOW COST HOUSING IN THIS AREA

PREVIOUS DEVELOPMENTS HAVE NOT BEEN ALLOCATED TO LOCAL PEOPLE DUE TO LACK OF DEMAND THE RESULT HAS BEEN AN INFLUX OF PEOPLE FROM OTHER AREAS THE LOCAL DEVELOPMENT HAS HAD A NUMBER OF VISITS FROM THE POLICE AND HAS GENERALLY DETRACTED FROM THE NEIGHBOURHOOD

RECENT AFFORDABLE HOUSING BUILT OVER RECENT YEARS THAT WAS SUPPOSED TO BE FOR LOCAL PEOPLE WAS TOO EXPENSIVE FOR THEM AND HAS NOW BEEN FILLED WITH PEOPLE FROM OUTSIDE THE PARISH MANY ON BENEFIT IT HAS LOWERED THE STANDARDS IN THE SURROUNDING AREA

ROAD TO MAIN LANE TO TOO CONGESTED LACK OF POLICING

SPOILING GREEN AREA PLUS ADDING MORE TRAFFIC & NOISE THE DRAINS ALREADY STRUGGLE DURING RAINY WEATHER AND IT IS JUST GETTING WORSE AS MORE AND MORE HOUSES ARE BEING BUILT ALSO THE HOUSES WHICH ARE SUPPOSED TO BE FOR LOCAL

PEOPLE NEVER END UP BEING FOR LOCAL PEOPLE

THE LAST HOUSING ASSOCIATION PROPERTY TO BE BUILT WAS ALLOCATED TO BENEFIT CLAIMERS FROM OTHER AREAS

THE ROADS COULD NOT TAKE MORE TRAFFIC ESPECIALLY IN COMMUTER PERIODS HAVE A LOT OF POER (ELEC) PROBLEMS (CUTS ETC) WHEN HOUSING HAS BEEN BUILT BY COUNCIL PROJECT IT DID NOT GO TO LOCAL PEOPLE

THE TRAFFIC PASSING THROUGH HAMBLETON CAN BE QUITE BUSY AND IT IS ONLY A SMALL VILLAGE

THE VILLAGE AS NOT GOT ANY SPARE LAND SO BUILDING IS NOT REQUIRED ANYMORE

THERE ARE PLENTY OF DIFFERENT TYPES AND PRICES OF PROPERTIES FOR SALE AND RENTAL IN HAMBLETON WHICH HAVE BEEN FOR SALE FOR SOME TIME NO FURTHER DEVELOPMENT NEEDED

THERE HAS BEEN ENOUGH EXTRA HOUSING BUILT ALREADY

THERE IS ALREADY ENOUGH HOUSING ROADS ARE TOO BUSY ALREADY - MORE HOUSING WILL ADD TO CONGESTION GREENLAND & WILDLIFE TO BE PRESERVED

THERE IS ENOUGH BUILDING RENOVATE AVAILABLE HOMES WHY BUILD ON GREEN FIELD?

THERE IS NO SUITABLE LAND AVAILABLE

THIS AREA IS OVER-DEVELOPED FOR THE EXISTING INFRASTRUCTURE WE ALREADY HAVE ENOUGH AFFORDABLE HOMES AND DO NOT NEED ANY MORE IN OUR EXPERIENCE THESE TYPE OF HOMES DO NOT PROVIDE FOR LOCAL PEOPLE BUT BRING AN INFLUX FROM OTHER AREAS WHO DO NOT SEEM TO APPRECIATE THEIR ENVIRONMENT (VILLAGE LIFE)

THIS RURAL AREA HAS HAD ENOUGH DEVELOPMENT FOR THE TIME BEING SINCE THE NEW BRIDGE IT HAS BEEN NON-STOP THE MAIN ROAD IS NOT CAPABLE OF ABSORBING MORE

THIS VILLAGE WOULD LOSE ITS ATMOSPHERE IF IT WAS ANY BIGGER THIS WOULD ALL DEPEND ON WHERE THE PROPERTIES WERE BEING BUILT

	TO BE HONEST I DON'T KNOW WHERE YOU WOULD PUT THEM SO MANY HAVE GONE UP OF LATE
	TRAFFIC CONGESTION NOTHING FOR YOUNG PEOPLE TO DO BUS SERVICE NOT GOOD
	TRAFFIC THROUGH THE VILLAGE IS BAD ENOUGH WITHOUT MORE
	ADDING TO THE PRESSURE MAINLY GREENBELT LAND AND WOULDN'T WANT THIS TO BE USED LIMITED ACCESS TO HEALTH PROVISION E.G. GP OPENING HOURS
	UP TO COUNCIL
	VERY LITTLE SPACE LEFT IN HAMBLETON AND FURTHER BUILDING WOULD DESTROY RURAL ATMOSPHERE
	VILLAGE IS ALREADY BIG ENOUGH INFRASTRUCTURE WONT COPE E.G. DRAINS SEWAGE ETC DRAINS ALREADY BLOCKED AND HAVE BEEN FOR YEARS ROADS FLOOD LITTER DISGRACEFUL (WE HAVE A SMALL GROUP OF VOLUNTEER LITTER PICKERS SO WE NOTICE) ROADS BECOME MORE CONGESTED THERE'S LOTS OF REASONS WHY THE MAJORITY OF LOCAL RESIDENTS DON'T WANT ANY MORE BUILDING ENOUGH IS ENOUGH!
	VILLAGE IS BECOMING OVER POPULATED WHICH IS STRAINING THE LOCAL INFRASTRUCTURE
	VILLAGE IS BIG ENOUGH
	WE ALREADY HAVE PROBLEMS WITH THE DRAINS IN HAMBLETON I THINK MORE HOMES WOULD ADD TO THIS IT IS BECOMING LESS OF A VILLAGE AND THE CRIME RATE HAS GONE UP
	WE DON'T THINK THE AREA IS CAPABLE OF SUSTAINING ANYMORE HOUSING FOR VARIOUS REASONS BOTH SAFETY AND AGRICULTARY
	WE HAVE HAD CONTINUOUS BUILDING IN OUR AREA FOR OVER 14 YRS THIS INCLUDES PRIVATE AND AFFORDABLE HOUSING WE LIVE IN HAMBLETON AND FEEL THAT SATURATION POINT HAS BEEN REACHED
	WE HAVE SOME NEW AFFORDABLE HOMES WHICH PEOPLE FROM OUT OF THE AREA SEEM TO LIVE IN WITH NO IDEA OF RURAL LIFE FARMING ETC NEW HOMES FOR LOCALS
	WE MOVED TO THIS HOUSE AS ITS IN A QUIET AREA AND IS SEMI RURAL HAVING MOVED FROM A HOUSE ON A MAIN ROAD WE LIKE THE PEACE AND QUIET WITH ONLY NEIGHBOURS CARS
	WHEN I MOVED HERE IT WAS TO GET AWAY FROM ESTATES SMALL OR LARGE I CHOOSE TO BE RURAL
	WOULD NEED TO KNOW MORE INFORMATION
	WOULD NOT OBJECT TO NO MORE THAN THIRTY HOMES BEING BUILT BUT THE QUESTION OF SMALL NUMBER WOULD BE OPEN TO INTERPRETATION
	WOULD SPOIL PEACE & QUIET OF RURAL AREA
Inskip-with- Sowerby	BECAUSE OF TRAFFIC CONGESTION OUT SIDE SCHOOL WHICH IS
Jowerby	VERY DANGEROUS BECAUSE PLANNING CONSENT IS BEING GIVEN FOR LARGE HOUSES - WHERE SMALL HOUSES COULD BE PUT ON SAME PLOT LARGE HOUSES FOR SALE IN AREA USE PLANNING CONSENT FOR SMALLER DWELLINGS

DELIBERATELY MOVED HERE TO BE IN A SMALL VILLAGE COMMUNITY

DON'T WANT THE COUNTRY TO BECOME OVERCROWDED

EIGHT AFFORDABLE HOMES WERE COMPLETED IN THE PARISH IN 2009 OTHER PARISHES SHOULD NOW SHARE FUTURE LOAD EQUITABLY

Tuestole .
IN THE PAST YEAR 8 NEW AFFORDABLE HOUSINGS HAVE BEEN BUILT AND HAVE TENANTS MOSTLY LOCAL PEOPLE THESE ARE FINE BUT I DOUBT IF THERE WERE MORE BUILT IT WOULDN'T BE OUR LOCAL YOUNG FAMILIES WHO WOULD NEED THEM THERE ARE NO SHOPS POST OFFICE AND LIMITED BUS SERVICES WHICH WOULDN'T BE SUITABLE TO YOUNG OR OAPS OR DISABLED TENANTS THERE ARE ALSO VERY MANY PRIVATE PROPERTIES TO RENT AND SELL IN THE AREA
INCREASE IN TRAFFIC NO FACILITIES IN VILLAGE SO PEOPLE WOULD
HAVE TO USE A CAR IT DEPENDS ON THE DEMAND EXPANDING RURAL VILLAGES NEED FACILITIES IE SHOPS THERE ARE SEVERAL HOUSES FOR SALE IN THE VILLAGE RANGING FROM LOW COST HOMES TO EXECUTIVE THESE HAVE BEEN ON THE MARKET FOR QUITE A WHILE SO ONE NEEDS TO ASK THE QUESTION IF RURAL LOCATION IS THE PLACE TO BUILD LOSS OF AGRICULTURAL LAND EXISTING HOMES FOR SALE/RENT IN VILLAGE WITH NO/LITTLE INTEREST LACK OF FACILITIES IE NO SHOPS POOR TRANSPORT LINKS
NEW HOMES ALREADY BUILT AND LOCAL PEOPLE LIVING IN THEM
NO ALTHOUGH WE THINK MONEY SPENT ON RESTORING/REPAIRING EXISTING BUILDINGS/HOMES WOULD BE BETTER THAN BUILDING NEW
NO DEMAND NO MORE BUILDING LAND AVAILABLE ONLY GREEN BELT/FARMLAND THAT MUST BE PROTECTED
NO SHOPS WOULD HELP NEED TO KNOW MORE DETAILS EX LOCATION SOME AFFORDABLE HOUSING HAS RECENTLY BEEN BUILT ALREADY IN OUR AREA THERE IS ALREADY A NUMBER OF EMPTY PROPERTIES IN OUR VILLAGE AND WE DO NOT NEED ANY MORE WE ARE A VILLAGE WITH NO FACILITIES FOR EXTRA HOUSING
THERE ARE A LOT OF HOUSES FOR SALE IN THE VILLAGE 1 2 & 3 BEDROOM THAT HAVE BEEN ON THE MARKET FOR SEVERAL YEARS SOME STAND EMPTY IF THERE WAS A REQUIREMENT THEY WOULD BE EITHER SOLD OR BEING RENTED
THERE ARE ALREADY HOMES WITHIN THE PARISH WHICH HAVE BEEN FOR SALE FOR A LONG TIME AND CAN'T SELL DUE TO THE CURRENT RECESSION.
THERE ARE ENOUGH EMPTY PROPERTIES AND DISUSED BUILDINGS ELSEWHERE (ESPECIALLY PRESTON CITY) THAT CAN BE REFURBISHED
TOO MANY ALREADY
VILLAGE IS LARGE ENOUGH YOU HAVE RECENTLY BUILT SUCH HOMES IN VILLAGE WHICH I HAVE NO PROBLEMS WITH BUT TO BUILD MORE WOULD THEN MEAN THERE WOULD BE MORE THAN A SMALL NUMBER OF HOUSES WHICH WOULD THEN DISTORT THE BALANCE OF THE VILLAGE
CONSERVATION AREA
CONSERVATION AREA NO ROOM FOR ADDITIONAL HOMES

Kirkland	CONSERVATION AREA
	CONSERVATION AREA NO ROOM FOR ADDITIONAL HOMES
	DON'T BELIEVE FURTHER HOMES ARE REQUIRED WHEN SO MANY
	STAND EMPTY THOSE RECENTLY BUILT IN THE LOCALITY ARE NOT IN-
	KEEPING WITH THE COMMUNITY THEY SIT IN AND WILL SOON LOOK
	UNFASHIONABLE I WOULD OBJECT TO GREEN/AGRICULTURAL LAND
	BEING BUILT ON AS THIS IS SOMETHING CURRENT RESIDENTS HAVE
	MOVED HERE FOR AND SHOULD BE PROTECTED

Г

Enough housing locally environmentally damaging likely to lead to further and further development POSITIONING OF HOMES WOULD BE OF VITAL IMPORTANCE DUE TO THE NATURE OF THE VILLAGE

Myerscough	
and Bilsborrow	ADEQUATE HOUSING AVAILABLE IN LOCALITY
	AS LONG AS THEY ARE LOCAL PEOPLE
	DEPENDS ON WHERE THEY ARE BUILT
	DEPENDS WHERE AND HOW MANY
	RECENTLY MOVED HOUSE DUE TO NEW HOUSE BEING BUILT BEHIND PREVIOUS HOUSE WOULD HATE THIS TO HAPPEN AGAIN
	SHELTERED HOUSING IN BILSBORROW (MEMORIAL GARDENS) OVER SUBSCRIBED
	SUBJECT TO LOCATION
	THERE ARE NO HOUSES AVAILABLE FOR THE YOUNG PEOPLE
	THERE HAVE BEEN LOTS OF NEW HOUSES BUILT OVER THE LAST TEN YEARS
	TRAFFIC CONGESTION - CANNOT COPE WITH YET MORE BUILDING
	VILLAGE DOES NOT HAVE THE FACILITIES FOR MORE HOMES E.G. SHOP
	VILLAGE IS LIKE PONTINS WITH OLD NELLS AND LARGE COLLEGE THE STREETS AND SHOPS ARE ALREADY FULL OF STUDENTS WHO MOVE IN AND OUT AT COLLEGE TERMS
	WE HAVE A DIVERSE RANGE OF HOUSING RENTED FAMILY HOMES
	RENTED HOUSING FOR OLDER PEOPLE SHARED OWNERSHIP
	HOUSING WIDE RANGE OF OWNER HOUSING A MOBILE HOME SITE
	THERE IS CHOICE AND BALANCE IN THE NEEDS OF THE VILLAGE
	GARSTANG IS A VILLAGE AND PART OF ITS POPULARITY IS THE
	SETTING-GREEN FIELDS CANAL AND OLD HIGH STREET WITH
	OUTDOOR MARKET THERE HAS RECENTLY BEEN A LOT OF NEW BUILDINGS (INCLUDING THOSE FOR AFFORDABLE HOUSING) AND WE
	FEEL THAT ANYMORE NEW BUILDS WILL EFFECT GARSTANG
	ADVERSELY - REDUCTION IN TOURISTS AND THEREFORE INCOME FOR
Nateby	SHOPS AND MARKET (NO-ONE WANTS TO VISIT A CONCRETE JUNGLE)
	GARSTANG IS OVERCROWDED WITH HOUSES IT IS COMPLETELY
	SPOILT IT USED TO HAVE GREEN OPEN SPACES NOW THEY HAVE ALL
	BEEN BUILT ON THERE ARE NO SERVICES IN THIS AREA NO GAS NO MAIN SEWERS NO
	SHOPS
	THIS IS A VERY RURAL PARISH AND WAS THE REASON WE MOVED
	HERE I WOULD NOT WANT THE EXCUSE OF 'AFFORDABLE HOUSING'
	BEING USED TO PUSH THROUGH NEW DEVELOPMENTS WHICH ARE
	OUT OF CHARACTER WITH THE AREA CALL ME A 'NIMBY' IF YOU WANT THE PRICE OF PROPERTY IS THE PROBLEM
	WE THINK GARSTANG IS ALREADY OVERBUILT WITH HOUSING AND AS SUCH THE SERVICES E.G. DOCTOR PRACTICES ARE OVERLOADED

Nether	
Wyresdale	ALREADY ENOUGH BUILDERS AND LANDOWNERS USE SCORTON TO MAKE MONEY -
	FLATS OF £215000 TO £375000 ARE NOT AFFORDABLE HOUSING
	UNLESS SUBSIDISED THE CURRENT DEVELOPMENT BY BAXTER'S
	CLEARLY ILLUSTRATES IT HAS NOT HELPED LOCAL PEOPLE AS
	INTENDED
	DEPENDING ON THE HOUSING - NOT A YES OR NO QUESTION
	IN THE LAST 5 YEARS WYRE BOROUGH COUNCIL HAVE PASSED TWO
	DEVELOPMENTS IN SCORTON VILLAGE PRIORY GARDENS AND THE
	MILL YARD DEVELOPMENT THESE ARE BOTH SUPERIOR DWELLINGS
	NEITHER FIRST OR EVEN SECOND HOMES AN OPPORTUNITY SADLY
	MISSED TO PROVIDE LOW COST HOUSING FOR LOCAL 1ST TIME
	BUYERS AS VILLAGE IS ALREADY SPOILT BY THESE NO FURTHER
	HOMES SHOULD BE PASSED ONLY IF THEY ARE OCCUPIED BY LOCAL PEOPLE - WHAT DO YOU
	DEFINE AS LOCAL?
	PROVIDED AGRICULTURAL LAND IS NOT RE-ZONED FOR BUILDING RECENTLY BUILT HOUSES AND FLATS SQUASHED ONTO THE EDGE OF
	VILLAGES REMAIN UNSOLD AND TO PROTECT THE GREENBELT WHAT
	LITTLE IS LEFT LOCAL VILLAGES HAVE LITTLE OR NO FACILITIES TO
	SUPPORT FURTHER DEVELOPMENT
	SCORTON AS A VILLAGE IS ALREADY CROWDED - ROADS NOT
	SUITABLE FOR FURTHER DEVELOPMENT NO PUBLIC TRANSPORT
	OUTSIDE SCORTON TOWARDS TROUGH OF BOWLAND
	SCORTON IS AN ARCHETYPAL MILL VILLAGE WE RECENTLY HAD 5
	NEW HOUSES BUILT £4-500000 WE NOW HAVE ANOTHER HOUSING
	ESTATE IN THE OLD MILL YARD 20+ HOUSES LETS SEE HOW THIS
	WORKS BEFORE PUTTING ANY MORE PRESSURE ON OUR CREAKING
	THE CURRENT INFRASTRUCTURE IS INADEQUATE TO COPE IN A
	REASONABLE MANNER WITH THE PRESENT POPULATION FURTHER
	DEVELOPMENT IS GOING TO ENCROACH ONTO AGRICULTURAL LAND
	WHICH IS NEEDED FOR FUTURE FOOD PRODUCTION FOR AN ALREADY
	EXPANDING POPULATION
	THERE ARE ALREADY UNSOLD HOUSES/FLATS IN THE MILLYARD
	SCORTON WE HAVE HAD PROBLEMS WITH FLOODING IN THE PAST
	MORE BUILDING WOULD NOT HELP THIS
	TOO MANY NEW PROPERTIES ALREADY
	VILLAGE VERY CONGESTED WITH CARS & VISITORS AT WEEKENDS
	LOCAL PEOPLE PARTICULARLY YOUNG ONES CAN'T AFFORD LOCAL HOUSES
	WHO WOULD DEFINE SMALL NUMBER HOW COULD YOU ENSURE THAT
	ONLY LOCAL PEOPLE WOULD TAKE UP RESIDENCE AND REMAIN IN
	RESIDENCE IN THE NEW HOMES? WHY ARE NEW HOMES REQUIRED
	WHEN SO MANY HOUSES ARE FOR SALE? THE PARISH WHERE I
	RESIDE HAS NO LIGHT POLLUTION OCCUPANTS OF NEW HOMES MAY
	EXPECT STREET LAMPS THUS CREATING LIGHT POLLUTION
	WHOLE OF WYRE MUST HAVE A NEED FOR AFFORDABLE HOUSING
	HOUSE PRICES TO RENT AND BUY ARE WAY ABOVE LOCAL INCOMES
	BUT BUS LINKS ARE FAR MORE IMPORTANT CAN'T GET ANYWHERE
Out Rawcliffe	WITHOUT A CAR

	AC44401110
	ONLY AT PRESENT AS THERE ARE NO AMENITIES WHATSOEVER I WOULD NOT OBJECT IF THE HOMES WERE NEAR HAMBLETON WHICH WOULD ADD TO THE OUTSKIRTS OF OUT RAWCLIFFE AND BE NEAR TO SHOPS / BUS ROUTES / DR SURGERY ETC OUT RAWCLIFFE HAS NOTHING TO OFFER YOUNG FAMILIES SADLY PEOPLE HAVE DIFFERENT DEFINITIONS OF NEEDS OF LOCAL PEOPLE HOMES MAY NOT BE IN A RURAL STYLE/SETTING & LOOK OUT OF PLACE RURAL AREA NEEDS TO BE PRESERVED EXTRA HOMES CAN BE PLACED IN BLACKPOOL FLEETWOOD WHERE THERE IS ALREADY MORE AFFORDABLE HOUSING/AREAS THAT NEED DEVELOPMENT DUE TO DEPRIVATION
	SUBJECT TO NO GREEN FIELD DEVELOPMENT THE LARGE NUMBER OF HOLIDAY HOMES IN THIS AREA SHOULD BE CONVERTED TO AFFORDABLE HOUSING RATHER THAN THE COUNCIL ALLOWING THESE TO COME INTO THE TOP END OF THE MARKET ONCE THEY HAVE BEEN ALLOWED TO CHANGE THEIR STATUS WHICH SEEMS TO BE A LOOPHOLE WHICH ALLOWS FOR A CHANGE OF USE WHY ALLOW PROPERTIES WITH AGRICULTURAL TIES TO HAVE THESE REMOVED THUS INCREASING THE VALUE OF THE PROPERTY
	THEIR DOES NOT APPEAR TO BE ANY DEMAND FOR LOCAL HOUSING BY LOCAL PEOPLE IF ANY IS PUT FOR SALE ITS OUTSIDERS WHO BUY THEM LOCAL PEOPLE JUST SEEM TO SIT ON THEIR ARSES AND MOAN THEIR MUST BE A SURPLUS OF HOUSES AS THEY BRING FOREIGNERS IN
	THERE ARE A LARGE NUMBER OF HOLIDAY HOMES BEING BUILT WHICH SHOULD BE CONVERTED TO AFFORDABLE HOUSING RATHER THAN THE COUNCIL ALLOWING THESE TO COME ONTO THE TOP END OF THE MARKET ONCE THEY HAVE BEEN ALLOWED TO CHANGE THEIR STATUS WHICH SEEMS TO BE A LOOPHOLE WHICH ALLOWS FOR A CHANGE OF USE WHY ALLOW AGRICULTURAL TIES TO BE TAKEN OFF PROPERTIES WHICH RESULT IN THE PROPERTIES BECOMING UNAFFORDABLE
	WE FEEL THERE ARE ENOUGH HOMES TO SUIT THE NEEDS OF LOCAL RESIDENTS BE THEY OLD YOUNG SINGLE MARRIED ETC ETC WOULD SPOIL THE RURAL LAYOUT
Pilling	A NUMBER OF BUILDING PROJECTS HAVE TAKEN PLACE IN THE VILLAGE/PARISH OVER THE PAST 2 YRS SOME OF THOSE HOUSES ARE STILL NOT COMPLETED AND STAND VACANT!
E	AFFORDABLE HOUSING NEVER GOES 2 LOCAL YOUNG PEOPLE ALSO GOING TO PEOPLE FROM OUT OF VILLAGE AND OUR LOCAL PEOPLE HAVE STILL TO GO ELSEWHERE (NO MORE)
	AS LONG AS IT WAS IN KEEPING WITH THE VILLAGE BECAUSE THE SEWERAGE SYSTEM IS TOO SMALL TO TAKE ANYMORE HOUSES BECAUSE THERE IS ENOUGH HOUSE FOR SALE AND RENT AND NO
	WORK IN THE VILLAGE DEPENDS WHERE YOU WANT TO BUILD THEM GREAT IDEA WE ARE LOOKING TO BUY WOULD BE GREAT FOR US HOUSES BUILT IN PILLING NOW ARE FAR TOO BIG HOUSING ONLY ONE PERSON WHEN 1 TICK FOR SMALL FAMILY HOMES I MEAN HOUSES
	FOR LOCAL MARRIED YOUNGSTERS OF THE PARISH

HOUSING IN PILLING IS SO EXPENSIVE YOUNG COUPLES ARE HAVING TO LEAVE TO AFFORD SUITABLE HOUSING WHEN THEY HAVE LIVED HERE ALL THEIR LIFE I'M NOT AWARE OF ANY DISABLED HOMES IN PILLING

HOWEVER THESE HOUSES SHOULD BE FOR LOCAL PEOPLE THEY SHOULD HAVE PRIORITY IN THE PAST HOUSES HAVE BEEN BUILT FOR LOCAL PEOPLE (HOUSING ASSOCIATION HOUSES) BUT HAVE BEEN GIVEN TO PROBLEM FAMILIES FROM OUT OF THE AREA

HOWEVER WE ARE - AND HAVE BEEN FOR MANY YEARS ABOUT THE VERY VERY POOR STATE OF THE MAIN SEWAGE DRAINS IN THE VILLAGE ALSO ABOUT THE STATE OF OUR ROADS THE ROAD IN FRONT OF OUR HOUSE IS AGAIN COLLAPSING IN THE 4TH TIME SINCE WE ARE HERE

I DON'T SEE THE NEED FOR MORE HOUSING AND WHERE WOULD THEY BE BUILT? THAT WASN'T GREENBELT

I HAVE TICKET NO FURTHER HOMES NEEDED UNTIL SEWER SYSTEM IS UPGRADED TO COPE WITH EXTRA HOUSES

I THINK THERE HAS ALREADY BEEN A LOT OF NEW BUILDING IN PILLING AND SOME OF IT HAS STRUGGLED TO SELL BUILDING NEW AFFORDABLE HOUSES ATTRACTS PEOPLE + DEVELOPERS FROM OUTSIDE THE AREA THIS REDUCES COMMUNITY COHESION AND MAKES THE VILLAGE MORE OF A COMMUTER AREA THERE ARE ENOUGH SMALL TERRACED HOUSES WHICH CAN SERVE AS 1ST TIME BUYER PROPERTIES

I WOULD BE IN FAVOUR OF A SHARED OWNERSHIP SCHEME BUT NOT AFFORDABLE HOUSING. AFFORDABLE HOUSING ONLY LEADS TO AN INFLUX OF UNDESIRABLE PEOPLE MOVING INTO THE AREA

IT DEPENDS WHAT A SMALL NUMBER ACTUALLY IS!

NEW HOUSES USUALLY GO THE OUTSIDERS

OLDER PEOPLE DOWNSIZING REQUIRE SMALLER PROPERTIES

ONLY AVAILABLE FOR YOUNG PEOPLE FROM THE VILLAGE AND NOT FROM SURROUNDING TOWNS AS HAS HAPPENED BEFORE OVER PAST YEARS HOUSES HAVE BEEN BUILT AS INFILL OR SMALL ESTATES SOME OF THE NEW HOUSES REMAIN UNSOLD IS THERE HIGH DEMAND? SOME APPROVALS HAVE YET TO BE BUILT A LARGE ESTATE APPROVED AT STAKE POOL HAS NOT YET COMMENCED THIS SHOULD MEET FUTURE NEEDS EXISTING SEWAGE AND SURFACE WATER INFRASTRUCTURE CANNOT COPE WITH EXISTING DEMAND WE NEED TO RETAIN PILLING AS A RURAL VILLAGE NOT A DORMITORY VILLAGE

SEWAGE AND ROADS

THE AREA NEED MORE HOME FOR FAMILIES YOUNG COUPLES AND ELDERLY THERE IS A SHORTISH OF HOUSING IN PILLING

THE MAINS WATER SYSTEMS IS AT CAPACITY AND BLOCKS ON FREQUENT OCCASIONS

THE ONES WE CURRENTLY HAVE ARE NOT OCCUPIED BY LOCAL PEOPLE AS PROMISED

THE ONLY OBJECTIONS I HAVE - NO DRUG ADDICTS 'PROBLEM' FAMILIES TRAVELLERS

THE SEWAGE SYSTEM IN PILLING IS WOEFULLY INADEQUATE IT HAS NEVER BEEN ENLARGED (IT IS 6" BORE PIPES) SINCE WE MOVED HERE IN 1973 THIS IS IN SPITE OF MANY NEW HOMES BUILT AND PLANNED FOR IN THE LAST TWENTY YEARS EVERY YEAR BRINGS FLOODS ALONG THE STREETS AS THE SEWERS CAN'T COPE WITH THE RAIN

	THE VILLAGE IS LARGE AND SPRAWLING WITH LITTLE OR FEW
	SERVICES TO SUSTAIN ANY MORE HOUSING THE ROAD
	INFRASTRUCTURE IS ALSO NOT SUITABLE FOR ANY MORE INCREASED
	TRAFFIC THE RURAL VILLAGE HAS DISAPPEARED AND IS NOW
	BECOMING A SATELLITE TOWN TWO CARS TO EVERY NEW HOUSE
	THERE ARE ALREADY ENOUGH HOUSES IN SCRONKEY I LIKE TO LOOK
	AT FIELDS NOT OTHER HOUSES THAT'S WHY I BOUGHT THIS
	PARTICULAR PROPERTY THERE ARE ENOUGH AFFORDABLE HOUSES IN PILLING NEW HOUSES
	ARE GETTING PASSED TOO EASILY AND GREENBELT LAND IS
	DECREASING
	THERE HAS BEEN ENOUGH NEW HOMES BUILT A ONCE QUIET VILLAGE
	IS NOW BECOMING BUILT UP THE SEWERS CANT COPE WITH
	ANYMORE HOUSES THERE IS ENOUGH INFILL AND NO MORE NEW
	PLANNING SHOULD BE PASSED MONEY SHOULD BE SPENT ON THE
	ROADS DRAINS FLOOD PREVENTION AND A MORE FREQUENT BUS
	SERVICE ONE BUS AT 2HR INTERVALS
	THESE NEED TO BE AFFORDABLE FOR PURCHASE BY LOCAL YOUNG
	PEOPLE NOT SHARED OWNERSHIP OR HOUSING ASSOCIATION
	THIS AREA IS RURAL THIS IS WHY I CAME IF IT BECOMES MORE
	HABITABLE WHY COME HERE
	THIS IS A RURAL AREA (REASON FOR MOVING HERE) MORE HOMES
	TAKES MORE FARM LAND & REMOVES THE RURAL FEEL OF THE AREA
	ALSO CUTS BUSINESSES RELATING TO AGRICULTURE UNLESS
	BROWN FIELD SITES BECOME AVAILABLE
	THIS IS DEPENDENT ON WHERE THEY WOULD INTEND TO LOCATE THE
	'NEW HOMES'
	TOO MANY HOUSES ARE BUILT TO ACCOMMODATE LOCALS BUT THEY
	GO TO NON-LOCALS EVENTUALLY AND THIS CAUSES MANY
	PROBLEMS AS MOST ARE TOWN/CITY DWELLERS AND NOT USED TO
	RURAL WAYS THEY THEN CAUSE MAYHEM AND DISRUPTION IN OUR
	QUIET WAY OF LIFE BUILD AND LET/SELL TO LOCALS ONLY PLEASE
	VERY FEW (IF ANY) PILLING PEOPLE HOUSED WITHIN THE CHERRY TREE CLOSE/TAYLORS LANE HOUSES KEEPING THESE FOR LOCAL
	AVAILABILITY REMOVES THE REQUIREMENT PROMISE OF STARTER
	HOMES ON THE STAKEPOOL SITE (EX JOHN DEERE) ALREADY PASSED
	PLANNING STAGE
	WE CANNOT SEE ANY WAY IN WHICH THE PROVISION OF LOW COST
	NEW HOMES CAN BE RESTRICTED TO LOCAL PEOPLE AS HAS
	HAPPENED IN THE PAST ANY LOW COST ACCOMMODATION GETS
	OCCUPIED BY DISADVANTAGED PEOPLE FROM A WIDE AREA
	BRINGING THEIR ASSOCIATED SOCIAL PROBLEMS FOR WHICH PILLING
	IS ILL EQUIPPED TO COPE
	WISH TO KEEP IT AS A VILLAGE NOT TURN IT INTO A TOWN
	A MORE IMAGINATIVE APPROACH COULD BE TAKEN PROPERTIES
	GROUPED POSSIBLY BOUGHT UP & DESIGNATED FOR ELDERLY &
	INFIRM & SUPPORT ON SITE THIS RATHER THAN BUILDING OR NOT
Preesall	BUILDING
	ALREADY OVER UTILISED ROADS SCHOOLS DRAINAGE/SEWERAGE
	SYSTEMS IF WE HAD WANTED TO LIVE IN TOWN WE WOULD HAVE
	BOUGHT A HOUSE IN TOWN MORE HOUSES MEANS LESS GREEN
	COUNTRYSIDE
	AREA ALREADY BUILT UP TO REQUIREMENTS NEEDED
	AS LONG AS THEY ARE LOCAL
	-

AS LONG AS THEY ARE USED FOR LOCAL PEOPLE AS LONG AS THEY WERE FOR LOCAL PEOPLE AND OUR CHILDREN WANTING TO STAY IN THE AREA BUILDING ON OPEN SPACES MAY AFFECT VIEWS & WILDLIFE MAY BE TOO NEAR MY PROPERTY AND BRING DOWN THE VALUE MAY OPEN THE DOORS TO OTHER LARGE DEVELOPERS CANNOT ACCOMMODATE ANY MORE PEOPLE AS AMENITIES ARE ALREADY OVER SATURATED DRAINAGE NOT GOOD ENOUGH THE BUILDING WORK DOWN PILLING LANE HAS RUINED A LOVELY AREA DRAINS ROAD SERVICES ALL THE ABOVE ARE INADEQUATE FOR THE PRESENT HOUSING STOCK FLOODING FROM INADEQUATE DRAINAGE IS HERE NOW TO INCREASE LOCAL HOUSING STOCK WOULD BE A DANGER TO THE PRESENT HOUSEHOLDS AND A CRIMINAL ACT ON THE COUNCILS BEHALF A 20 MIN WAIT TO GET OVER THE SHARD BRIDGE IS A REGULAR DAILY OCCURRENCE ENOUGH AFFORDABLE HOUSING IN AREA TOO MANY ALREADY FOR SALE VERY FEW PLACES LEFT TO BUILD ON ENOUGH HOMES HERE NOW FACILITIES CAN NOT HANDLE ANY MORE HOUSES ROADS TOO NARROW FOR MORE CARS **GREEN BELT MUST BE PRESERVED** HOMES WILL NOT NECESSARILY BE OCCUPIED BY LOCAL PEOPLE FROM THE IMMEDIATE AREA BUT COULD COME FROM E.G. FLEETWOOD TO PREESALL THERE HAS ALREADY BEEN ENOUGH BUILDING IN THE PREESALL AREA AND SCHOOLS MEDICAL FACILITIES ARE ALREADY OVER-SUBSCRIBED LAND THAT WAS PREVIOUSLY GREEN BELT IS BEING USED FOR BUILDING WHERE PREVIOUSLY IT WOULD HAVE BEEN REFUSED HOWEVER LOCAL SCHOOLS ARE FULL KNOTT END TRAFFIC IS A PROBLEM I DON'T BELIEVE THESE HOMES WOULD BE FOR LOCAL PEOPLE THEY WOULD POSSIBLY BE PART OF THE COUNCIL ESTATE PROBLEM **DILUTION SCHEME** I FEEL THERE ARE PLENTY OF HOMES IN THE AREA NOW MANY OF WHICH ARE NOT SELLING EVEN THE NUMBER OF PROPERTIES TO LET SEEMS TO HAVE INCREASED RECENTLY AND MANY OF THESE REMAIN EMPTY THIS AREA IS NOT SUITED TO YOUNG FAMILIES WE CHOSE IT FOR ITS PEACE AND TRANQUILLITY AS A RETIREMENT AREA TEN YEARS AGO IN THAT TIME IN MY OPINION THE LOCALITY HAS GONE DOWN HILL SO LITTLE FOR YOUNGSTERS TO DO I HAVE NO FAITH IN THE ABILITY OF THE LOCAL COUNCIL TO DO ANYTHING TO IMPROVE HOUSING WHEN THEY ARE UNABLE TO REMOVE AN ILLEGAL SETTLEMENT OF TRAVELLERS IN PREESALL I HAVE NO VIEW ON THIS MATTER I WOULD HAVE NO OBJECTION TO MOVE HOMES BEING PROVIDED AFTER SERIOUS ACTION IS TAKEN ON THE FOLLOWING - PROPERTIES ABANDONED BY OWNERS LEFT TO DETERIORATE - THE PERMANENT PARKING ON THE VERY NARROW ROADS OVERNIGHT AT WEEKENDS (PLUS) OF COMMERCIAL VEHICLES I WOULD OBJECT AS THERE IS ONLY ONE HIGH SCHOOL OVER WYRE AND ONE SCHOOL WOULD NOT COPE AND CHILDREN WOULD HAVE TO GO OVER THE BRIDGE IM ALL FOR AFFORDABLE STARTER HOMES FOR LOCALS MANY COUNCIL HOUSES ARE RENTED TO PEOPLE WHO AREN'T LOCAL A LOT

OF PEOPLE HAVE COME FROM OUTSIDE THE AREA AND SEAM TO HAVE NO TROUBLE GETTING A COUNCIL HOUSE AND I'VE KNOWN PEOPLE WHO HAVE BEEN ON THE LIST FOR SEVERAL YEARS WITH A LOT OF PEOPLE RETIRING TO THE VILLAGE MANY LOCALS CAN NO LONGER AFFORD TO BUY IN THE PLACE WHERE THEY'VE LIVED ALL THEIR LIVES

In an area with low employment prospects an increase in the population would lead to more car journeys for those in work thus defeating central government's desire to reduce people's mileage.

INCREASED FLOODING RISK NO WORK INADEQUATE TRANSPORT LINKS

INCREASED TRAFFIC ON ALREADY VERY BUSY ROADS AVAILABILITY OF SCHOOL PLACES

INFRASTRUCTURE SCHOOLS MEDICAL FACILITIES ARE WAY BELOW CURRENT NEEDS

INFRASTRUCTURE WOULD SUFFER

IT IS QUITE A BUILT UP AREA FOR A SMALL VILLAGE AND NO WORK PROSPECTS YOUNG PEOPLE HAVING TO TRAVEL OUT SIDE THE AREA FOR WORK ALSO ANY MORE PROPERTIES WOULD SPOIL THE AREA IT WOULD DEPEND UPON THE LOCATION STYLE AND TYPE OF PROPERTY WHETHER THE LOCAL AMENITIES COULD SUPPORT THE

HOUSING KNOTT END IS BIG ENOUGH AND NEEDS TO STAY AS IT IS TO RETAIN ITS CHARACTER

LACK OF RELEVANT TRANSPORT

LACK OF SCHOOLS LACK OF GP'S PER NUMBER OF PEOPLE DRAINS CAN THEY COPE USING UP FLOOD PLAINS

LOCAL SERVICES IE DOCTORS SCHOOLS ETC PUSHED TO THE LIMITS NOW - EXTRA HOUSING WOULD MAKE LIFE FOR LOCAL PEOPLE DIFFICULT ONE ROAD IN AND OUT OF THE AREA EXTRA TRAFFIC WOULD INCREASE PROBLEMS THERE ARE MORE THAN ENOUGH PROPERTIES ON THE MARKET TO MEET THE NEEDS OF PEOPLE EITHER RENTING OR BUYING

LOSING THE COUNTRYSIDE

LOSING THE GREEN FIELDS FOR BUILDING ROADS TOO NARROW FOR EXTRA TRANSPORT

MAIN CONCERN IS THAT LOCAL PEOPLE MIGHT NOT GET THE HOUSING BUT PEOPLE FROM AWAY WHAT IS THE DEFINITION OF LOCAL? IS FLEETWOOD LOCAL TO KNOTT END? IS MANCHESTER LOCAL TO KNOTT END?

MANY ARE EMPTY (OLD PEOPLE DIED) MANY ARE FOR SALE LOTS OF NEW HOUSES BUILT OVER THE LAST 10 YEARS ANY MORE NEW ESTATES ETC THE MAIN ROAD LEADING TO MAINS LANE IS NARROW AND WINDS AND TWISTS THERE ARE TRAFFIC JAMES NOW AND MANY FATALITIES THESE ROADS ARE UNABLE TO SUSTAIN AMY MORE VEHICLES

MOVED HERE FOR PEACE AND QUIET

MY CONCERNS ARE FOR THE SCHOOLS THAT ARE FULL AS IT IS AND ALSO THE FACILITIES ARE ALSO NOT MUCH ROOM LEFT FOR BUILDING LAND DRAINAGE COULD BE PUT UNDER PRESSURE

NEEDS FOR ELDERLY FOLK

NO CONCERNS ABOUT MORE SMALL HOUSES

NO LAND TO BUILD

NO OBJECTION

NO OBJECTION TO NEW HOMES PROVIDED THEY ARE BUILT ON THE LAND THE TRAVELLERS ARE USING AT THE MOMENT SMALL CLOSE OF AFFORDABLE HOUSES WOULD BE VERY ACCEPTABLE

NO ROOM FOR FURTHER DEVELOPMENT WITHOUT PREJUDICING THE NATURE OF THE OVER WYRE AREA

NONE NEEDED

NOT ENOUGH JOBS AND FACILITIES

NOT ENOUGH SCHOOLS SHOPS BANKS DOCTORS PUBLIC TRANSPORT POLICE AND INFRASTRUCTURE IS OVERLOADED!

ONLY IF INFRASTRUCTURE WAS UPDATED TO MEET THE REQUIREMENTS OF NEW HOUSING

OVER SUBSCRIBED MEDICAL CENTRE OVER SUBSCRIBED PRIMARY SCHOOLS STRAIN ON UTILITIES

OVER WYRE IS A RURAL AREA AND I HOPE IT CAN REMAIN SO INCREASED POPULATION OVER WYRE IS NOT A POSITIVE IN MY OPINION

PROBLEMS WITH DRAINAGE ONLY ONE ROAD IN AND OUT OF KNOTT END CAUSING CONGESTION AT BUSY TIMES

PROVIDING THIS BRINGS NO CRIME NOISE NUISANCE THIS IS CURRENTLY AN IDEAL RETIRED AREA

RIPPING UP GREEN FIELDS IS BARBARIC THIS IS PREDOMINANTLY AN OVER 60'S AREA YOUNG FAMILIES AND PEOPLE ARE NOT WELCOME! ROADS ARE GRIDLOCKED AT BUSY TIMES ALREADY AND PARKING IN KNOTT END IS ALREADY IMPOSSIBLE TRYING TO GET AN APPOINTMENT AT THE MEDICAL CENTRE IS DIFFICULT AND WHEN YOU ATTEND THEY HAVE PRECIOUS LITTLE TIME TO GIVE YOU PRECIOUS LITTLE NUMBER OF JOBS HERE FOR PEOPLE LIVING HERE NOW SIZE OF SCHOOLS WILL SEWERS COPE RUINING VILLAGE LIFE NOT ENOUGH FACILITIES FOR YOUNG ONES SO THEY BECOME BORED AND CAUSE MISCHIEF

SMALL RURAL COMMUNITIES LIMITED TRANSPORT ACCESS MORE STRAIN ON PUBLIC SERVICES AVAILABLE LOSS OF GREENBELT THE AREA HAS BUILT UP TOO MUCH WE ARE NOT GETTING THAT CLOSE KNIT COMMUNITY ANYMORE AND THERE IS MORE CRIME WE HAVE THE TROUBLE WITH GAS BEING PUT UNDERGROUND WHY ADD MORE TROUBLE

THE AREA IS FULLY OCCUPIED

THE COUNCIL GIVES OUR GREENFIELD SITES AWAY FAR TOO EASILY ON THE EXCUSE THAT THERE ARE NO FURTHER OPTIONS FOR AFFORDABLE HOUSING SITES WHEN SITES ARE ALREADY ONGOING WITH PLANNING CONSENT FOR AFFORDABLE HOMES NEARBY BY GIVING UP OUR COUNTRYSIDE SO EASILY THEY ARE ALTERING THE CHARACTER AND NATURE OF OUR VILLAGES BROWNFIELD SITES ARE AVAILABLE IF THEY LOOK HARD ENOUGH

THE INFRASTRUCTURE OF THIS AREA WILL NOT SUPPORT MORE HOUSING

THE ISSUE IS AFFORDABILITY NOT AVAILABILITY A NUMBER OF NEW HOUSES HAVE ALREADY BEEN BUILT OVER WYRE AND THERE IS A GOOD MIX OF HOUSING AVAILABLE THIS IS A RURAL AREA WITH LIMITED INFRASTRUCTURE

THE NUMBER OF SHOPS THE SIZE OF THE DOCTORS JUST ABOUT MEETS THE NEEDS OF PEOPLE ALSO THERE ARE AFFORDABLE HOUSING ANYWAY IN THIS PARISH PROPERTY IS NOT EXPENSIVE IN THE MAIN

THE REASON BEING WE FEEL THAT KNOTT END ON SEA IS MAINLY A RETIREMENT AREA AND SHOULD REMAIN SO

THE ROADS AND SEWERS CANNOT TAKE ANYMORE DEVELOPMENTS IN THIS AREA

THE SERVICES (SEWERS ROADS SCHOOLS ETC) ARE ALREADY OVERSTRETCHED DUE TO DEVELOPMENT IN THE AREA OVER THE LAST 12 YEARS THIS AREA LIKE MOST RURAL AREAS IS IN DANGER OF BEING OVERDEVELOPED AND LOSING ITS RURAL COMMUNITY VALUES THERE ARE ALWAYS A WIDE VARIETY OF PROPERTIES FOR SALE IN THE AREA

THERE IS NO POINT IN OBJECTING WHEN YOU ARE ALREADY LETTING CARAVANNERS ON PLOTS OF LAND WITHOUT ASKING US

THERE IS WIDE VARIETY OF HOUSING IN KNOTT END/PREESALL ALREADY PLENTIFUL SUPPLY OF DETACHED/SEMI DETACHED BUNGALOWS WHICH COULD EASILY BE ADAPTED FOR DISABLED LIVING THERE ARE APARTMENTS BEDSITS LARGE AND SMALL DETACHED PROPERTIES IN TERRACES THERE IS A LOT OF GREEN BELT LAND WHICH SHOULD NOT BE DEVELOPED

THERE SEEMS TO BE ENOUGH OF EVERY TYPE OF HOUSING DON'T THINK ANYMORE IS REQUIRED AND I DON'T THINK IT WOULD BE LOCAL PEOPLE

THESE HOMES WOULD BE GIVEN TO DSS DROP-OUTS & DRUG ADDICTS - SINGLE PARENT FAMILIES - WHO DO NOT CONTRIBUTE ANYTHING TO THE AREA AFFORDABLE HOUSING SHOULD ONLY BE AVAILABLE TO LOCAL RESIDENTS & THEIR CHILDREN (WHO WERE BORN & BRED HERE) WHO CANNOT AFFORD A HOUSE IN THE AREA THEY WERE BROUGHT UP IN

THIS AREA IS OVER POPULATED DUE TO BAD PLANNING BY PROFESSIONAL PLANNERS AND COUNCILLORS THE ROAD SYSTEM IS GRIDLOCKED DUE TO THE NUMBER OF HOUSES BEING BUILT THE FLOOD PLAINS ARE NONE EXISTENT AND SEWAGE WORKINGS TO CAPACITY MEDICAL FACILITIES ARE OVERSTRETCHED THE AREA HAS BECOME A SUBURB OF EAST LANES

THIS IS A RURAL AREA WHICH IS GETTING TOO OVER BUILT NOW

TOO MANY HOUSES ALREADY

TOO MANY HOUSES HAVE ALREADY BEEN BUILT IN THIS AREA TRAFFIC CONGESTION IS BAD NOW WOULD BE WORSE WITH MORE

HOMES IN OR NEAR THE VILLAGE TRAFFIC ISSUES NO INCOME TENANTS NOT CONTRIBUTING TO COMMUNITY POSSIBLE INCREASED CRIME RATE WITH TENANTS BEING MOVED FROM OTHER AREAS DUE TO BEING A NUISANCE TRAVELLERS CAMPED OUT IN THE FIELD I WOULD OBJECT TO GIVING THEM A PERMANENT HOME

WE FEEL THAT ALL COUNCIL SERVICES ARE FULLY STRETCHED AND THE CROWDED NARROW ROADS WITH HEAVY TRAFFIC ARE A SAFETY PROBLEM

WE FEEL THAT THERE IS ABSOLUTELY NO NEED TO BUILD AFFORDABLE HOUSING HERE IN KNOTT END THIS VILLAGE IS ONLY SMALL AND THERE IS NO INDUSTRY OR COMMERCIAL ENTERPRISE TO ATTRACT YOUNG HOME BUYERS HERE THE BUS SERVICE IS VERY SCARCE (EVERY 2 HOURS TO LANCASTER AND CLEVELEYS) AND NEAREST TOWN (BLACKPOOL) IS 30 MILE ROUND TRIP AWAY AS IS LANCASTER AND CONSIDERING FUEL COSTS FEEL THIS NOT VIABLE PROJECT

WE FEEL THERE IS MORE THAN ADEQUATE HOUSING OVER WYRE AND THE INFRASTRUCTURE IS/WOULD STRUGGLE TO COPE WE RECENTLY MOVED INTO THIS AREA TO GET AWAY FROM LIVING IN A LARGE BUILT UP AREA BUT SINCE MOVING HERE THE FIELD BEHIND US HAS GOT PLANNING PERMISSION FOR AFFORDABLE HOUSING TO BE BUILT WE WOULD NEVER HAVE BOUGHT THIS HOUSE IF WE KNEW THIS BEFOREHAND WE LIKED THIS AREA BECAUSE IT WAS A SMALL COMMUNITY AND FEEL THAT IT DOES NOT REQUIRE FURTHER HOUSING GET THE UNFINISHED BUILDINGS FINISHED WITH SO MANY HOUSES FOR SALE AND NOT SELLING WHY NOT BUY THESE HOUSES INSTEAD OF BUILDING MORE

	7
Stalmine-with-	ACCESS TO THE HOUSES BEING BUILT ON LAND AT THE TOP OF BIRCH
Staynall	GROVE STALMINE
	AS I LIVE IN A GREEN BELT AREA I AM CONCERNED BY THE INCREASING NUMBER OF SOUL-LESS NEW DEVELOPMENTS THAT ARE BEING BUILT THE BEST EXAMPLE OF AFFORDABLE HOUSING THAT I CAN THINK OF IS IN SINGLETON WHERE COTTAGES FOR RENTAL WERE BUILT TOTALLY IN KEEPING WITH THE SURROUNDING PROPERTIES AND IN AN ALREADY DEVELOPED SPOT THEY SHOULD BE THE TEMPLATE FOR NEW DEVELOPMENT BECAUSE THE STARTER HOMES IN HAMBLETON WHICH WERE
	SUPPOSED TO BE FOR PEOPLE BORN AND BRED HERE HAVE BEEN GIVEN TO PEOPLE WHO HAVE MOVED INTO THE VILLAGE MY SON AND HIS WIFE HAD TO MOVE ACROSS THE RIVER BECAUSE THEY COULDN'T AFFORD ANYTHING OVER HERE SO WHAT'S THE POINT OF BUILDING MORE IF LOCALS ARE NOT GOING TO BENEFIT THIS IS A RURAL COMMUNITY
	BECAUSE THERE IS NO WORK IN THE AREA FOR THEM I WOULD NOT OBJECT IF THE HOUSES WERE FOR AGRICULTURAL WORKERS ONLY BECAUSE THEY NEVER STICK TO THEIR PROMISE OF JUST LOCAL PEOPLE AND THEN THEY MOVE IN PEOPLE WHO ARE NOT SUITABLE THEY SAY REFERENCES ARE NEEDED BUT I'M SURE THEY CANT BE CHECKED OTHERWISE THE PEOPLE WOULDN'T GET THE HOUSES IN THE FIRST PLACE
	BUT WOULD DEPEND WHERE IT WOULD BE
	DON'T THINK THERE ARE ANY AVAILABLE PLOTS FOR USE WOULDN'T LIKE TO SEE GREENBELT LAND BEING USED
	I CAME OVER HERE NEARLY 20 YEARS AGO BUT IT HAS GOT MORE AND MORE CONGESTED I DON'T THINK WE NEED MORE HOUSES I HAVE NO OBJECTIONS TO NEW HOMES BEING BUILT FOR COUPLES YOUNG FAMILIES AS BEING A FIRST TIME BUYER WE FOUND IT VER DIFFICULT GETTING ONTO THE PROPERTY MARKET AS HAVING TO MOVE OUT OF THE AREA WHERE WE HAVE BOTH GROWN UP GARSTANG AS HOUSE PRICES BEING TO HIGH I DEFINATLY THINK LOCAL PEOPLE WOULD BENEFIT FROM MORE AFFORDABLE HOUSING I HAVE TO THINK ABOUT GOING TO FAMILY BECAUSE I CANNOT AFFORD TO BUY A HOME NEAR BUS STOP SHOPS ETC THERE ARE NO FLATS/HOUSES FOR OLDER PEOPLE AND WHAT ARE HERE ARE TAKEN BEFORE YOU GET TO KNOW ABOUT THEM SO I CANNOT SEE THE POINT SAYING ABOUT BUILDING ANY MORE I MOVED HERE BECAUSE IT IS A SMALL VILLAGE AND THAT'S HOW I
	WOULD LIKE IT TO STAY

I MOVED TO THIS AREA DUE TO THE APPEAL OF OPEN LAND AND VIEWS AND A PEACEFUL COMMUNITY I BELIEVE THAT BUILDING MORE HOMES WILL BRING INCREASED POPULATION DESTROY GREEN LAND ETC THERE ARE ALREADY HORRIBLY DENSELY POPULATED AREAS WHICH IS WHY I MOVED I HAVE WORKED HARD TO AFFORD THE SMALL HOUSE I LIVE IN AND IT IS UNFAIR THERE WILL BE LITTLE NATURAL LAND LEFT SOON IF MORE AND MORE HOUSES ARE BUILT

I THINK THERE IS ENOUGH HOUSES IN OUR AREA WE NEED TO KEEP AS MUCH GREEN LAND AS WE CAN WE MOVED FROM BISHAM TO STALMINE BECAUSE WE LIKED THE RURAL AREA BETTER & NOT BUILT UP HOUSES

INCREASE VOLUME OF TRAFFIC ON MAIN ROAD AND COUNTRY LANES IN THE AREA

INSUFFICIENT DRAINAGE BUSY ROADS RECREATION/FARMING LAND USED

MY CONCERNS ARE PEOPLE WHO COME INTO THE AREA WHO WONT MAINTAIN THE STATUS OF THE VILLAGE BENEFIT/HOUSING ASSOCIATION PEOPLE HAVE HAD BAD EXPERIENCES WITH THESE TYPE OF PEOPLE IN BLACKPOOL AND DO NOT WISH FOR STALMINE TO SUFFER THE SAME FATE

NEW VILLAGERS ARE FROM AWAY AND NOT FROM THE AREA NO LAND LEFT FOR DEVELOPMENT TOO MANY MASSIVE LUXURY HOUSES BEEN BUILT

NO OBJECTIONS BUT PLEASE REALISE THAT INFILL OF VILLAGES AND TOWNS WITH MORE PROPERTIES INCREASES THE CHANCE OF OVERWHELMING THE CURRENT ANTIQUATED DRAINAGE SYSTEMS IN THESE RURAL AREAS

NOT ENOUGH ESPECIALLY FOR OLDER PEOPLE

NOT NECESSARILY GOING TO MEET NEEDS OF LOCAL PEOPLE DRAINAGE SYSTEM UNABLE TO COPE WITH NEW HOUSING DEVELOPMENTS HAVING DIFFICULTIES COPING NOW RESULTING IN FLOODS ETC

NOT NEEDED OR REQUIRED

NOT WILLING TO EXPLAIN

QUESTION IS TOO LOOSE DEFINE LOCAL IE WITHIN PARISH WITHIN BOROUGH? AND HOW LONG A RESIDENT TO QUALIFY FOR LOCAL STATUS? 6 WEEKS 6 MONTHS 6 YEARS? IF SOMEONE BUYS AN AFFORDABLE HOME WILL THERE BE RESTRICTIONS ON WHO THEY CAN SELL IT TO? OR IS IT SIMPLY A RECURRING PROBLEM? ROAD GRIDLOCK EVERYDAY AT PEAK TIMES EXCESSIVE TRAFFIC ON ROADS DRAINS CAN NOT COPE ELECTRICAL SUPPLY FLUCTUATION IN POWER AT PEAK TIMES THERE IS SO MUCH HEAVY TRAFFIC OUR HOME IS CONTINUALLY SHAKING THERE ARE CRACKS IN WALLS AND WE THINK ITS BECAUSE OF THIS OUR CEILINGS ARE FALLING DOWN ROADS ALREADY OVER-CROWDED SEWERS OVERFLOW INTO ROADS ON ACCOUNT OF TOO MANY PROPERTIES E.G. NEAR STALMINE READING ROOMS

STALMINE HAS AN EXCELLENT MIX OF ALL TYPES OF PROPERTY AND IS SURROUNDED BY FARMS AND MEADOWS

STALMINE HAS BEEN OVER DEVELOPED OVER THE PAST 40 YEARS UNFORTUNATELY THE INFRASTRUCTURE HAS NOT BEEN UPDATED TO MATCH THE INCREASED NUMBER OF DWELLINGS HENCE FLOODING IN SOME PARTS OF THE VILLAGE WE ARE AGAINST FURTHER DEVELOPMENT OF ANY KIND

STALMINE HAS GROWN ENOUGH

SUPPORT FOR THIS WOULD DEPEND ON LOCATION
THE DRAINS ARE CONTINUALLY BACKING UP AND FLOODING THEY
WERE BUILT FOR A HANDFUL OF HOUSES & STALMINE NOW HAS TOO
MANY HOUSES PLACING TOO MUCH DEMANDS ON EXISTING
DRAINAGE NO MORE PLEASE!!

THE VILLAGE CAN NOT POSSIBLY STAND ANYMORE FUTURE DEVELOPMENT BECAUSE EVERY BIT OF SPARE LAND HAS BEEN SWALLOWED UP BY THE FAT CATS IN THEIR MASSIVE LUXURY ABODES

THE WHOLE MARKET FOR HOMES IS DISTORTED WRECK LESS LENDING MEANS THAT HOUSE PRICES ARE NOT CONNECTED TO THEIR ACTUAL WORTH AND WAGE LEVELS THIS PREVENTS YOUNGSTERS BEING ABLE TO BUY NEW HOMES NEED TO BE IN TOWNS & CITIES ON BROWNFIELD SITES TO RESTORE THE VITALITY OF TOWNS THIS WILL ALSO PUT KIDS NEAR JOBS & PUBLIC TRANSPORT SO THEY ARE NOT FORCED INTO RUNNING A CAR - AGAIN FUNDED BY DEBT

THERE ARE ENOUGH HOUSES ON THE MARKET TO MEET DEMAND

THERE ARE ENOUGH HOUSES OVER WYRE AND THERE IS ENOUGH TRAFFIC COMING OVER THE BRIDGE ALREADY THERE ARE NOT ENOUGH PROVISIONS OR SERVICES IN PLACE

(ACCESSIBILITY/TRANSPORT/GP'S ETC)

THERE IS ENOUGH INHABITANTS FOR THE FACILITIES AVAILABLE

THERE IS SMALL AFFORDABLE HOUSING IN AREA AND SURROUNDING IT THE ROADS INFRASTRUCTURE CANT MEE MORE

TOO MANY HOMES ALREADY - KEEP OUR VILLAGE & OVER WYRE GREEN OTHERWISE WE MAY AS WELL LIVE IN TOWNS

TRAFFIC

TRAFFIC - A588 IS A RACETRACK!

UNDESIRABLE PEOPLE

VILLAGE BIG ENOUGH NOW

WE ARE OF THE OPINION THAT THERE ARE SUFFICIENT HOMES IN THE VILLAGE TO COVER A RANGE OF AGES THROUGH FAMILIES TO RETIREMENT AN INCREASE IN HOMES WOULD BRING IN MORE TRAFFIC THE AMOUNT OF WHICH CURRENTLY IS DIFFICULT TO COPE WITH ALSO THERE ARE EXISTING PLANS FOR ADDITIONAL HOMES IN BIRCH GROVE WHICH SHOULD SURELY BE SUFFICIENT IN A SMALL VILLAGE WE WOULD BE CONCERNED IF STALMINE BECAME ANOTHER KNOTT

END WHERE LOTS OF FAMILY HOUSING HAS BEEN BUILT NOT BUILT FOR LOCAL PEOPLE MOSTLY INCOMERS THE VILLAGE BECOMES A SMALL TOWN WITH NO EXTRA FACILITIES LETS KEEP THE VILLAGE A VILLAGE WE ARE ALSO CONCERNED ABOUT TRAFFIC PROBLEMS

Upper	
Rawcliffe-with-	I FEEL IT NEEDS TO BE KEPT AS A QUIET VILLAGE WITH THE RURAL
Tarnacre	ASPECT IT ALREADY HAS
	I PURCHASED IN THE PARISH AS IT WAS SMALL BRINGING NEW
	FAMILIES INCREASES CRIME UNLESS FOR OLDER PEOPLE IF NEW
	HOMES WERE INTRODUCED I WOULD LOOK TO MOVE

	I WOULD NOT OBJECT TO A SMALL NUMBER OF NEW HOMES BUT I DON'T THINK THE MAINS SEWERAGE SYSTEM WOULD MANAGE MANY MORE HOMES
	IN GENERAL MORE FAMILY HOMES WOULD BE WELCOMED
	IT WOULD DEPEND WHERE THEY WOULD BE BUILT AND SITUATED I FEEL VILLAGE OCCUPANTS WOULD/SHOULD BE INVOLVED IN ANY DECISION MAKING
	MY HOUSE WAS BUILT IN 1820-1850 NOW IT IS ON A VERY BUSY MAIN ROAD VERY CLOSE TO THE ROAD WHEN HEAVY TRAFFIC PASSES BY THE AIR PRESSURE ROCKS THE HOUSE IF THERE WERE HOUSES BUILT OPPOSITE THIS WOULD INCREASE BECAUSE THERE WOULD BE LIMITED SPACE FOR THE AIR FLOW TO GO THE MORE HOUSES THAT ARE BUILT MEANS MORE LOSS OF LAND & VIEWS TO THE DETRIMENT OF ALL GREATER CARE IF ELDERLY & YOUNG LIVE TOGETHER
	ONLY CONCERN IS DRAINS CAN'T TAKE WATER NOW IN HEAVY RAIN HAVING BEEN FLOODED BEFORE IT IS A BIG WORRY
	ONLY IF IT MEETS THE NEEDS OF LOCAL PEOPLE AND THE TENANTS ARE VETTED BY THE PARISH COUNCIL
	ST MICHAELS IS A VILLAGE AND FEEL IS BIG ENOUGH ANY MORE HOMES WOULD BE OF DETRIMENT TO THE VILLAGE COMMUNITY AND SEMI-RURAL ENVIRONMENT WE BOAST AT THE MOMENT THE VILLAGE HAS ALL IT NEEDS AND WOULD BE SPOILT IF NEW HOMES WERE BUILT ANOTHER HUGE CONCERN WOULD BE THE ADDITIONAL TRAFFIC
	WHICH IS ALREADY A CONCERN ST MICHAELS ON WYRE DOES NOT REQUIRE FURTHER DEVELOPMENT IT WILL RUIN THE COUNTRYSIDE
	THERE ARE 2 FLOOD DEFENCE SYSTEMS ALONG THE RIVER WYRE SINCE THEY WERE CONSTRUCTED HOUSES HAVE FLOODED IN ST MICHAELS AND LAST AUTUMN THE RIVER ALOST BROKE THROUGH THE BANKING FOR THESE REASONS WE BOTH BELIEVE NO MORE HOUSES OF ANY CLASS SHOULD BE BUILT IN ST MICHAELS
	WE ALREADY HAVE AFFORDABLE HOUSING WHICH HAS BEEN USED FOR PEOPLE OUTSIDE THE VILLAGE WHO HAVE BEEN PROSECUTED FOR DRUG ABUSE
Winmarleigh	BECAUSE THEY WOULDN'T GO TO LOCAL PEOPLE AND SMALL NUMBER LEADS TO MORE AND MORE I LIVE IN THE COUNTRY BECAUSE I CHOOSE NOT TO HAVE HOUSES ALL AROUND ME
	DEPENDS ON WHERE THEY ARE SITUATED AND NOT OVERLOOKING US WOULDN'T MIND HOMES FOR THE ELDERLY

WINMARLEIGH IS A SMALL VILLAGE WITH NO SHOPS AND IS A RURAL COMMUNITY I MOVED HERE FOR COUNTRY LIFE MORE AFFORDABLE OR CHEAP HOUSES INTRODUCE A NEW ELEMENT TO WHAT SHOULD

REMAIN AN EXPENSIVE AND ELITE PLACE TO LIVE
